Construction Updates

Scheduled Closure of Sunnybrook Road Intersection Begins Monday, August 30

This week, the intersection of Viola Avenue and Ayers Street was temporarily closed for the installation of storm sewer pipes. The intersection is scheduled to be re-opened on Friday, August 27. Additionally, road excavation and placement of limestone road base continued from Mansheim Boulevard to Sunnybrook Road.

Next week, the contractor will implement a closure of the Sunnybrook Road and Ayers Street intersection, beginning on Monday, August 30 through Friday, September 3. This closure will allow the contractor to continue road excavation and placement of limestone road base through the Sunnybrook Road intersection.

Additionally, installation of storm sewer pipes, curb inlets and manholes will continue on Ayers Street from Sunnybrook Road to Gollihar Road. Road excavation and placement of limestone road base will also continue from Mansheim Boulevard to Viola Avenue.

All work is weather permitting.

Safety is a top priority, so motorists and pedestrians are reminded to be aware of the work zone, follow all traffic control devices, and use alternate routes to avoid delays.

Traffic Changes & Lane Closures:

Beginning Monday, August 30, the Sunnybrook Road and Ayers Street intersection will be temporarily closed. Residents who utilize Sunnybrook Road to access Ayers Street are advised to seek alternate routes.

- Northbound Ayers Street is closed at the Crosstown/SPID Interchange (frontage road) intersection. Thru traffic is encouraged to seek alternate routes to access businesses in the area.
- Ayers Street is also reduced to one lane, one-way traffic from Gollihar Road to SPID (southbound direction only).
- Johanna Street to Crosstown/SPID Interchange (Northbound) – The outside thru lane on Ayers Street is closed approaching the Crosstown/SPID interchange. This lane closure will continue through the underpass of SPID. This closure will not impact access to the eastbound frontage road of SPID.
- Johanna Street to Crosstown/SPID Interchange (Southbound) - The left-turn lane and median openings are closed.
- Crosstown/SPID Interchange & Ayers Street Intersection (Northbound) – Northbound Ayers Street is CLOSED at the Crosstown/SPID Interchange intersection. Motorists must use alternate detour routes such as the SH 286 northbound frontage road, Gollihar Road, Kostoryz Road, or McArdle Road to access local businesses.
- Crosstown/SPID Interchange to Gollihar Road – Ayers Street is reduced to one lane, one-way traffic flow in the southbound direction only. Access to all local businesses is provided.
- Ayers Street and Gollihar Road Intersection – The outside thru lane on Ayers Street, in the southbound direction only, is closed approaching the Gollihar Road intersection.
- SH 358 Frontage Road (Eastbound) – The shared thru left-turn lane is closed.

RTA bus stops are closed from Gollihar Road to SPID. Bus stops remain open at the Port Ayers Transfer Station.
