COMPUTER CLASSES offered **FREE** in Flour Bluff. Please stop by to make arrangements to attend classes: Timon's Ministry, 10501 SPID, Ph: 937-6396

COMMUNITY CLEAN-UPS are meant to empower residents to help clean up their community. We provide a large dumpster the first of every month at Flour Bluff Drive for this effort. Other dates and times can be arranged. We help residents revitalize their area and hope it causes others to do the same in their neighborhoods.

VOLUNTEER INCOME TAX ASSISTANCE (VITA) PROGRAM: If you would like to volunteer to help please call the Weed & Seed Office. Volunteer Income Tax Assistance (VITA) is a partnership with the Weed & Seed program and the IRS. We use volunteers to prepare and e-file income tax for anyone who makes less than \$49,000 dollars. This is a **FREE** service to eligible residents living in Corpus Christi.

ADVENTURE TREKKERS is a **FREE** limited adventure based outdoor recreation program designed to provide youth ages 11 to 16 with an opportunity to learn about the natural, environmental, and cultural resources available in Texas and the Coastal Bend Region.

WEED & SEED FESTIVALS: The Weed & Seed Program would like to thank the thousands of residents and agencies that are participating in this year's **Weed & Seed Back to School Festival** on August 14, 2010. This festival is a **FREE** community event designed to improve all aspects of the quality of life in Corpus Christi including health care, community policing and economic development. The festival includes **FREE** entertainment, games, refreshments and information booths for all community residents.

FREE COMMUNITY NURSE OFFERED AT WEED & SEED SAFE HAVEN: There is a **FREE** Community Nurse officed at the St. Peters by the Sea United Methodist Church, 1541 Waldron Road. She is part of the Wesley Nursing Program, which we were able to partner with to be able to provide these **FREE** services.

PARKER SWIMMING POOL OFFERS FREE SWIMMING. Once again this year, the Weed & Seed Program in partnership with the City of Corpus Christi Parks & Recreation's Aquatic Division will be offering **FREE general swimming admission to Parker Pool** for the residents who live in the Flour Bluff Community.

Brighter Connection is a **FREE** painting program that Weed & Seed started which helps with the broken window syndrome in our communities. We help elderly residents revitalize their home and hope it causes others to do the same in their neighborhood.

Operation Clean Sweep is a partnership with the Texas Military Forces Joint Counterdrug Task Force, City of Corpus Christi's Weed & Seed, and local businesses in the community. Together they remove substandard, uninhabitable structures in Corpus Christi and Nueces County that have ties to crime, specifically drug activity. The Texas Military Forces recently completed their 1,000th demolition for the state-wide program.
