

**Ordinance amending Corpus Christi Code of Ordinances to add Section 49-15 authorizing execution of easement encroachment licenses as an administrative remedy**

**WHEREAS**, under current regulations, the remedy for property owners whom accidentally encroach on City easements is to remove the encroachment or request the City to abandon the easement, or portion thereof;

**WHEREAS**, easement encroachment license provides an alternative administrative remedy which can be a more equitable and efficient resolution of encroachment on City easements; and

**WHEREAS**, an easement encroachment license that is terminable at any time by the City does not constitute an alienation or lease of City property pursuant to Corpus Christi City Charter Article IX.

**BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CORPUS CHRISTI, TEXAS:**

(f) If at any time it is determined by the City Manager or designee that the encroachment structure has become detrimental to the health, safety or welfare of the community or the surrounding property, interferes with access to any public place, or if a public works project or development requires removal of the encroachment, the encroachment license granted hereunder shall be revoked by the City Manager or designee upon providing the licensee thirty days' notice thereof.

(g) Encroachment licenses shall run with the Property and be recorded in the real property records of Nueces County, Texas.

(h) No encroachment licensed under this ordinance is intended to grant any permanent right or title to all or any portion of an easement, or other City property and does not constitute alienation of the City's property right.
