Mortality Count By Month

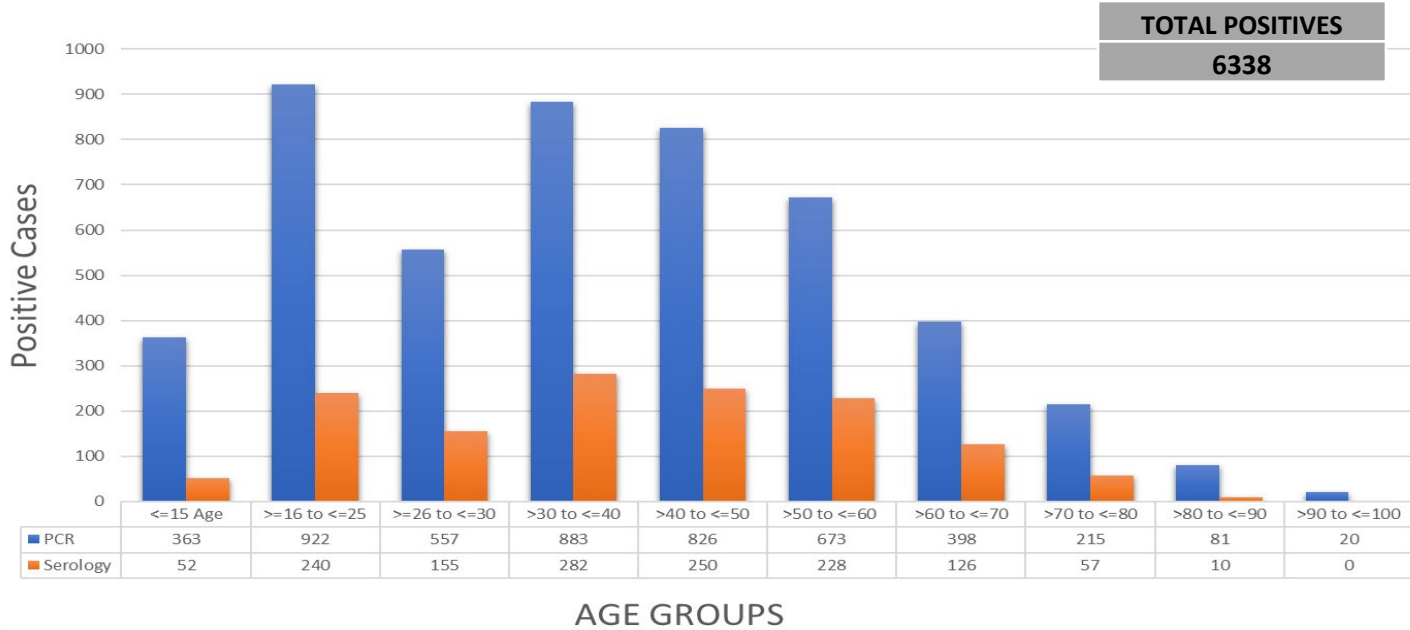

Public Health
Prevent. Promote. Protect.

PCR & SEROLOGY POSITIVE CASES PER AGE GROUPS

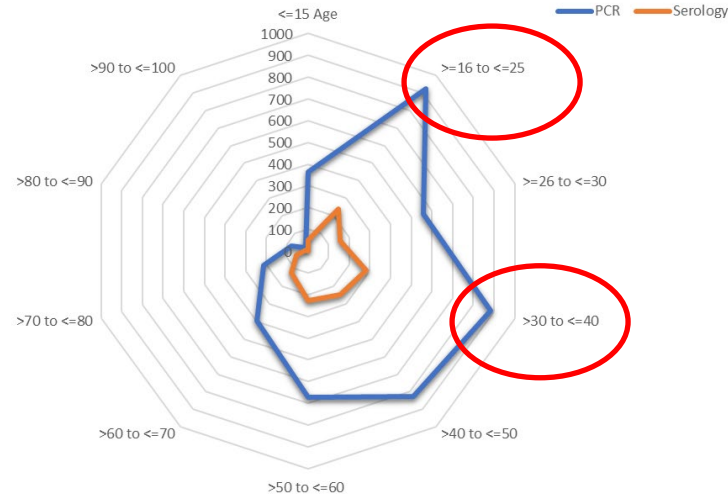

Public Health
Prevent. Promote. Protect.

16 to 25 & 30 to 40-Year-Olds = Super Spreaders

Pharmacy Prescriptions

Low-dose steroids taken per oral

Justification

- Assists in alleviation of respiratory symptoms (i.e. shortness of breath or cough)
- Not an alternative for medical care, to assist with symptoms if you are having difficulties getting a bed at the hospital
- Once available you must seek medical advice
- This is not a cure

Health District Phone Bank

Phone Bank

- 28 operators

Types of Calls

- Schedule drive thru
- General Questions
- Anonymous reports

| | No. of Calls |
|--------------|---------------|
| March | 6130 |
| April | 4544 |
| May | 3475 |
| June | 11810 |
| July | 6662 |
| TOTAL | 32,621 |

CONVALESCENT PLASMA DONATION

Coastal Bend Blood Center Phone: (361) 855-4943

Recovered COVID-19 patients needed to donate plasma

- Four pints of plasma can help up to three critically ill patients
- Complete resolution of symptoms at least 14 days before the donation.
- A negative result for COVID-19 by a diagnostic test **is not** necessary to qualify.

Offers for Testing Supplies

Vendors offering Testing kits

- Supplies and kits are not compatible with the Lab testing machines
 - Some kits are not complete since this test is complex
 - Kits are not what they seem
 - Marketed as PCR tests, but are serology tests

 - The HD utilizes confirmed vendors that have been established.
 - Established Vendors provide alternative if available

Questions?

The infographic is divided into two panels. The left panel shows three stylized human figures standing close together, with red double-headed arrows between them indicating proximity. Below the figures are two red sad face icons. The right panel shows two stylized human figures standing apart, with a green double-headed arrow between them indicating distance. Below the figures is a green happy face icon.
