PUBLIC SAFETY

Police Training Academy - \$1.25M (Design Only)

Project will provide for a turn-key Design-Build solution for a new Police Academy complex. The project includes an applied instruction building, physical training building, vehicle driving track, and all necessary supporting infrastructure.

Fire Station #3, Morgan St. - \$750K (Land Acquisition & Design Only)

Replace antiquated fire station to meet current firefighting operations and standards that will allow for faster turnout times and cleaner work environments for the safety of firefighters and public they serve.

FIRE RESCUE
