Family Science Explorations

April 13, 2019
10am-12pm

Apps to learn and explore nature

Corpus Christi Metro Area

While it might be odd for a nature center to promote the use of phone apps, these apps will encourage you and your family to explore the outdoors. We will learn to use iNaturalist and several other nature apps. You can bring your own device or borrow one of ours for the event.

This Family Science Exploration will also prepare your family to participate in the City Nature Challenge later in April. More information about the Challenge is available on our website and will be shared during this event.

- **Program fee is \$8 per family member.**
- This program is open to individuals and families with children 5 and up. All children attending the program must be accompanied by an adult.
- Online registration is required at register.ccparkandrec.com.
- Each program is limited to 25 participants.

For more information, contact (361) 826-3947 or email calebh@cctexas.com.

Meet at the Oso Bay Wetlands Preserve & Learning Center located at
2446 N. Oso Parkway, Corpus Christi, TX 78414
