

For  
Families

# Homeschool Days

Spring 2019  
9am-12pm

January 24

February 28

March 28

May 2

We invite your homeschool family to our homeschool days this spring. Each date will focus on a specific science topic related to our area.

The events will contain three learning activities and families should expect to be outside the entire time. Target age range for the material will be ages 8-12, within that range feel free to drop kids off. If kids are younger than 8, please plan to attend with your student.

- Each date trip is open to up to 60 participants.
- Each date is \$5 per child and registration is separate for each event.
- Target age range for the activities is ages 8-12. Though students outside of this age range are welcome to attend, the material may not be as ideal, our instructors will do their best to include all students as they can.
- Online registration is required for each date individually at <http://register.ccparkandrec.com>.

For more information, contact Caleb Harris at (361) 826-3947 or [calebh@cctexas.com](mailto:calebh@cctexas.com).
