Spring Break Fun and Learning Activities!

For Spring Break 2019 at the Oso Bay Wetlands Preserve we are going to have a blast with afternoon fun activities that will inspire further outdoor play.

- **Boats** – We will create sailboats test them in our pond!
- **Kites** – We will make kites since it's always windy here, and have a blast learning to fly them.
- **Bird houses and bird feeders**– We'll make bird feeders and discuss what type of birds will come to their feeders and what to put in them.
- **Sundial** – We'll make cylinder sundials and practice using them.
- Supplies for crafts will be provided.
- Participants should dress for the weather as each workshop will involve being outside.
- **Each workshop is \$10 per participant** and open to individuals and families with children age 7 and up. All children attending the program must be accompanied by an adult.
- Limit 20 participants. Register at register.ccparkandrec.com.
