Fishing Education Workshop for families

This free workshop is open to families who want to learn some basics of fishing. The learning activities will be designed with families with children (over age 6) in mind. If you and your family are interested in learning more about fishing, this will be a fun and accessible workshop for you and your family. Topics will include: how to rig and tie a basic set up; how to cast several types of fishing poles; rules and regulations that you need to know; and basic strategies for catching local fish.

Space is limited, and preregistration is required.

- Program is free and designed for ages 6 and up.
- Children must be accompanied by an adult.
- Space is limited to 40 participants.
- Registration is required at <http://register.ccparkandrec.com>.
- For more information, contact Caleb Harris at calebh@cctexas.com or (361) 826-3947.
