

What is a Volunteer Station?

A Volunteer Station is a public agency, secular or faith-based, private non-profit organization, or proprietary health care organization that accepts the responsibility for assignment and supervision of RSVP volunteers in health, education, social service or related settings such as multipurpose centers, home health care agencies, or similar establishments.

Each volunteer station must be licensed or otherwise certified, when required, by the appropriate state or local government. Private homes are not volunteer stations.

Agencies must sign a Memorandum of Understanding (MOU) with the City of Corpus Christi before being approved as registered volunteer stations.
