Construction Updates

Parking Lot Concerns Addressed

This week the contractor installed new barriers in the Everhart Patio Plaza to help ensure motorists traveled safely through the parking lot area during construction. They also patched a few potholes in the area due to increased traffic.

The contractor is continuing with the installation of the wastewater line between Bonner Drive and Cain Drive and the sewer line at Cain Drive and Everhart Road.

All work is weather permitting.

Closures included:

- Northbound and Southbound traffic on Everhart Road will continue as one lane for both directions.
- Northbound traffic on Everhart Road, left turns will continue to be allowed at the Holly Road intersection. However, left turns from Southbound Everhart Road traffic will still be restricted.
- The right turn lane on Holly Road will continue to be closed but right turns onto northbound Everhart Road will still be allowed from the right travel lane.
- Sidewalks will continue to be closed along Phase 1 until the completion of the project.

Weekly Construction Survival Tip

Emergency Operations Plan

Have you ever thought about what you would do in the case of an emergency? An Emergency Operations Plan (EOP) is the cornerstone for all successful businesses. Your EOP is something employees should reach for when any emergency arises. This can include anything from a medical emergency, to an active shooter situation, to hurricane preparedness. Training your staff to know what to do could save someone's life. So, if construction is causing some slow time for your business, consider extra time as an opportunity to create or update your Emergency Operations Plan and be prepared to respond to any situation that may arise.

Everhart Road Project Inspires Owner to Build Up her Business

Mariza Rodriguez owns and operates Heartfelt Creations Boutique located at 5334 Everhart Road. She sells women's clothing and accessories, locally designed menswear, and offers custom embroidery.

At first, she had concerns about the Everhart Road project's single lane traffic plan, but it inspired her to be more active with her online sales. Rodriguez said she is shipping out more items and she's also consulting with developers to create an online website. For now, she's using her Facebook page, @ [HeartfeltCreationswithMariza](#).

Rodriguez expressed her excitement for the project, especially all the cosmetic changes saying, "I want it to look nice. I want to be associated with it!" She feels all the changes will have a positive impact on business and even the city.

Calling Everhart Businesses
