Construction Updates

Construction Moves Forward!

The project contractor continued moving the project forward despite wet weather

The City encourages residents to use Corona Drive and Williams Drive as contractors continue to work on installing a 30" wastewater line on Everhart Road between Bonner Drive and Cain Drive.

All work is weather permitting.

Closures included:

- Northbound and Southbound traffic on Everhart Road will continue as one lane for both directions.
- Northbound traffic on Everhart Road, left turns will continue to be allowed at the Holly Road intersection. However, left turns from Southbound Everhart Road traffic will still be restricted.
- The right turn lane on Holly Road will continue to be closed but right turns onto northbound Everhart Road will still be allowed from the right travel lane.
- Sidewalks will continue to be closed along Phase 1 until the completion of the project.

Email Updates - Tell Your Neighbors To Sign Up!

Good News! You are already receiving the email alerts for construction. We need your help in spreading the word to neighboring businesses on Everhart.

Weekly Construction Survival Tip

New Year New Ideas!

The beginning of the New Year is the perfect time to create new ideas and goals for your business. Grab your team and set up a day to brainstorm ways to bring in new business and build your brand. Generate a list of topics you want to focus on in the New Year. These can be anything from Website Design, Community Outreach, Customer Service, or Social Media. Treat the team to lunch and do a fun team building activity to start the day off right. Ideas come from all over and you might be surprised who might come up with the next great one.

Featured Business

Hair Stylist Pleased with Traffic Flow During Construction

For nearly three years, Frizeez has been located at 5411 Everhart Road, in the Park Square shopping center. Lissa Gonzalez co-owns the salon with her daughter Katy, and she's been styling, cutting, and coloring women's and men's hair for more than 15 years.

When the Everhart Road project first started, she was a little worried about traffic. Now, she feels it's easier to travel the roadway. She said most drivers are not using Everhart Road unless they must, which makes it easier for her clients to access the salon. Gonzalez said she's keeping clients updated with the project on her Facebook page, [@frizeez](#).

The hairstylist likes all the upgrades and improvements included in the project, but she's most excited to see improved lighting in the area.

Calling Everhart Businesses

We are looking for businesses along the Everhart Construction corridor who would like to be featured in an upcoming newsletter. Email us at DeAnnaM@cctexas.com to let us know you would like to participate.
