Construction Updates

Everhart Road Construction Closes some Sidewalks

Northbound Everhart Road lane closures continue from Holly Road to Williams Drive as utility construction progresses.

AEP continues relocating new power poles along northbound Everhart Road from Bonner Drive to Williams Drive. All sidewalks will be closed from Holly Road to Bonner Drive, for safety reasons.

Closures include:

- Northbound and Southbound traffic on Everhart Road will continue as one lane for both directions.
- Northbound traffic on Everhart Road will continue to be allowed to make left turns at the Holly Road intersection. However, left turns from Southbound Everhart Road traffic will still be restricted.
- The right turn lane on Holly Road will continue to be closed but right turns onto northbound Everhart Road will still be allowed from the right travel lane.
- The east side of Bonner Drive and Everhart Road intersection is still closed. Left turns for both northbound and southbound Everhart Road traffic will be restricted during the intersection closure. Through traffic on Eastbound Bonner Drive will be detoured around the intersection closure.

All work is weather permitting.

Featured Business

New Road on the Horizon for Drivers and Homeowners

Helping Corpus Christi residents find homes has been Real Estate Broker Jeremy De La Garza's goal for some 20 years. That experience is why he decided to open his own business, Corpus Christi Realty Group, located at 5334 Everhart Road, between Corona Drive and Curtis Clark Drive.

De La Garza welcomes the Everhart Road Project saying it does not affect his clients because real estate agents do most of their work at the homes they are selling. He knows the construction might be challenging for employees to get to the office for meetings, so he's scheduling gatherings before or after rush hour.

The real estate broker and his staff are looking forward to the completed project, especially the updated access to all the restaurants and unique businesses along the stretch of Everhart Road.

Calling Everhart Businesses

We are looking for businesses along the Everhart Construction corridor who would like to be featured in an upcoming newsletter. Email us at DeAnnaM@cctexas.com to let us know you would like to participate.
