All work is weather permitting.

- Northbound and Southbound traffic on Everhart Road will continue as one lane for both directions.
- Northbound traffic on Everhart Road, left turns will continue to be allowed at the Holly Road intersection. However, left turns from Southbound Everhart Road traffic will still be restricted.

Weekly Construction Survival Tip

Extended Hours of Operation!

With the Holiday's approaching potential customers are going to be on the lookout for last minute steals and deals. Offering up early bird or open late discounts will have them shopping 'til they drop. Extended shopping hours will allow patrons to come in after work or pop in early before the weekend rush starts. Don't forget to post your new holiday hours on social media, on your business website, on your Google listing, and even consider new store signage.

Featured Business

Chinese Restaurant Offers Mobile App Delivery Service During Road Project

For nearly 34 years, many residents have chosen Hunan Express for a quick and delicious bite to eat. The Chinese eatery is located at 5502 Everhart Road, between Holly Road and Bonner Drive. The restaurant is known for serving a variety of classics such as wonton soup and sweet and sour pork.

Hunan Express owner Tik Chan said he wants everyone to know his restaurant is staying open throughout the Everhart Road Project. He recommends to anyone craving some of the restaurant's fresh food, to order it through delivery service apps such as [Favor](#), [DoorDash](#), and [Waitr](#).

If customers can dine-in, but keep in mind the Everhart Road entrance is closed due to construction. It's best to take Nelson Lane off Holly Road and make a left turn on Bonner Drive. From there, drivers should follow the street to the restaurant's entrance on the left just before Everhart Road.
