## Welcome to the Corpus Christi Cone Zone Everhart Edition

The latest information on the Everhart Construction project direct to your inbox.

### Construction Updates

#### Concrete Pour Continues Next Week

Waterline work moved forward this week as the General Contractor continued testing and welding in the area of Curtis Clark Drive. They also worked to install the storm waterline along the west side of Everhart Road. Concrete work also took place between Holly Road to Bonner Drive and the City's Gas Department continued installing the gas line from Curtis Clark Drive to Corona Drive.

Next week, it is anticipated that most of the above work will continue moving north towards Corona Drive.

Safety is a top priority, so motorists and pedestrians are reminded to be aware of the work zone, follow all traffic control devices, and use alternate routes to avoid delays.

All work is weather permitting.

#### Current Closures

- Phase 4 will extend the closure of the southbound lanes of Everhart from Holly Road to Corona Drive for construction.
- Northbound and southbound traffic is shifted to the northbound lanes (East side of Everhart), from Holly Road to Corona Drive. Traffic is reduced to one-lane in each direction.
- The transition for southbound Everhart traffic occurs at the Corona Drive Intersection.
- Northbound traffic will not be allowed to turn left at Cobblestone Lane, Coventry Lane, Bonner Drive, Curtis Clark Drive, and Corona Drive.
- Southbound traffic will not be allowed to turn left on Curtis Clark Drive, Bonner Drive, Cain Drive, and Holly Road.
- Sidewalks will be closed along the westside of Everhart from Holly Road to Corona Drive.
- The westside of the Bonner Drive is closed at Everhart Road.
- The intersections of Cobblestone, Coventry, and Curtis Clark will temporarily close when work is occurring at these intersections.

#### Email Updates - Tell Your Neighbors To Sign Up!

Good News! You are already receiving the email alerts for construction. We need your help in spreading the word to neighboring businesses on Everhart.

## Business Feature

#### Circles of Care Support Services on Everhart Road

Circles of Care, located at 5333 Everhart Road, Suite 150B, has been providing children and families with adoption and foster care support services on Everhart Road for 20 years. The Circles of Care non-profit organization continues to serve the Coastal Bend community during both COVID-19 and construction. They recommend visitors drive safely while Everhart Road construction is in process and their staff looks forward to improved access to their offices once Everhart Road construction is complete.

Among their most impactful services are; adoption, respite care, placement services, and foster home preparations, says Office Manager Melissa Aguilar. Circles of Care also offers free access to counseling services for children and families. The Circles of Care office is open Monday – Thursday from 8:30am – 5:30pm and Fridays from 8:00am – 3:00pm. To find out more information visit [www.circlesofcareinc.org](http://www.circlesofcareinc.org) or contact their office directly at 361-852-3812.

5333 Everhart Road, Suite 150B
