Construction Updates

Contractor Smoothing Driveways

This week the contractor for the Everhart Road Project will begin smoothing driveways for area businesses along the construction path to help motorists experience a smoother ride.

The contractor still plans to begin the install of the sewer line at the intersection of Bonner Drive and Everhart Road. This install will be weather permitting and will result in the closure of the intersection of Bonner Drive and Everhart Road.

Additionally, cable lines have been relocated to new poles along the east side of Everhart Road.

All work is weather permitting.

Closures include:

- Northbound and Southbound traffic on Everhart Road will continue as one lane for both directions.
- Northbound traffic on Everhart Road will continue to be allowed to make left turns at the Holly Road intersection. However, left turns from Southbound Everhart Road traffic will still be restricted.
- The right turn lane on Holly Road will continue to be closed but right turns onto northbound Everhart Road will still be allowed from the right travel lane.
- Sidewalks will continue to be closed along Phase 1 until the completion of the project.
- Cain Drive between Everhart Road and Nelson Lane is also closed.

Weekly Construction Survival Tip

Email Marketing

Email Marketing, formally known as SPAM, is an advertising concept that has become a way of life. When you open your email inbox, you expect to find a newsletter or sales ad from your favorite boutique or local restaurant. Becoming fluent in email marketing allows you the opportunity to keep your customers in the know and on their minds. Email marketing can be used to send promotional messages, important account information, product updates, and more.

If you are new to the email marketing world, consider checking out MailChimp or HubSpot. These interface tools will help you create professional looking emails that will have your customers clicking around to find out more about your latest merchandise.

Featured Business

Everhart Road Project is Improving Business and Home Life

KAE's Emporium is a family-owned beauty salon located at 5419 Everhart Drive. Residents needing to get their hair done or seeking beauty supplies have trusted the local shop to provide them with the services they need.

Eleanor Evans owns and manages the shop, she said construction has not interrupted her business and she's excited the work is being done.

Evans is looking forward to the improvements being made and feels they will benefit the drivers, vehicles, and the quality of the city. She said she is a little bit more excited than most because she lives and works in the surrounding neighborhood.
