## Welcome to the Corpus Christi Cone Zone Everhart Edition

The latest information on the Everhart Construction project direct to your inbox

### Construction Updates

#### Concrete & Utility Work Continues

As part of Phase 1, the contractor continued this week with the pouring of concrete for the ADA ramps and sidewalks, along the east side of Bonner Drive and Everhart Road. This work is expected to continue next week.

As part of Phase 2, the contractor smoothed out sidewalks from Bonner Drive to Curtis Clark Drive and continued the install of the underground utilities from Curtis Clark Drive to Corona Drive. Next week, crews will continue working on sidewalks and ADA ramps in the same area. Utility installation will also continue, and the contractor will begin putting in two manholes at the intersection of Curtis Clark Drive and Everhart Road. Safety is a top priority, so motorists and pedestrians are reminded to be aware of the work zone, follow all traffic control devices, and use alternate routes to avoid delays.

All work is weather permitting.

Closures include:

- Northbound lanes are closed from Holly Road to Corona Drive for construction.
- Northbound and southbound traffic is shifted to the southbound lanes (west side), from Holly Road to Corona Drive. Traffic is reduced to one-lane in each direction.
- Northbound traffic on Everhart Road will continue to be allowed to make left turns at the Holly Road intersection.
- Left turns from southbound Everhart Road will still be restricted at Holly Road, Bonner Drive and Curtis Clark Drive.
- Left turns from northbound Everhart Road will be restricted at Bonner Drive, Curtis Clark Drive and Corona Drive.
- The right turn lane on Holly Road is closed but right turns onto northbound Everhart Road is allowed from the right travel lane.
- Sidewalks will continue to be closed along Phase 1 until the completion of the project. Phase 2 sidewalks will also be closed along the east side of Everhart Road from Bonner Drive to Corona Drive.
- Phase 2 northbound lanes are closed from Bonner Drive to Curtis Clark Drive.
- The right turn lane on Holly road is closed, but right turns onto northbound Everhart Road will still be allowed from the right travel lane.

#### Email Updates - Tell Your Neighbors To Sign Up!

Good News! You are already receiving the email alerts for construction. We need your help in spreading the word to neighboring businesses on Everhart.

### Featured Business

#### Local business manager puts customers first

For 30 years, Gambler Specialties has provided promotional services for the surrounding area. Manager Lisa Carmickle says, "If you can put a name on it, we can sell it." The business has spent the last 10 years located at 5864 Everhart Road.

When the Everhart Road Project began, Carmickle worried about customers being able to access their shop. Business continued, and customers still found their way in. Now, she is looking forward to the completed product. Carmickle feels the wider roads will allow for better traffic flow and make it easier to access businesses along the street.

The project began in September 2019 and has a completion goal set for March 2021.
