Construction Updates

Phase 1 Sidewalks and ADA Ramps Installation Continues

As part of Phase 1, the contractor continued concrete work for the ADA ramps and sidewalks along the east side of the Bonner Drive and Everhart Road intersection. The contractor also completed the sidewalks and ADA ramps at the intersection of Cain Drive and Bonner Drive. Next week, the contractor will pour concrete for the new sidewalks and ADA ramps in the same area.

Phase 2 construction also continued this week. The contractor installed two manholes at the intersection of Curtis Clark Drive and Everhart Road. Sidewalk and utility work from Bonner Drive to Curtis Clark Drive and Curtis Clark Drive to Corona Drive also moved forward this week. Next week, crews will continue utility work from Curtis Clark Drive to Corona Drive and will install two additional manholes at the intersection of Curtis Clark Drive and Everhart Road.

Safety is a top priority, so motorists and pedestrians are reminded to be aware of the work zone, follow all traffic control devices, and use alternate routes to avoid delays.

All work is weather permitting.

Closures include:

- Northbound lanes are closed from Holly Road to Corona Drive for construction.
- Northbound and southbound traffic is shifted to the southbound lanes (west side), from Holly Road to Corona Drive. Traffic is reduced to one-lane in each direction.
- Northbound traffic on Everhart Road will continue to be allowed to make left turns at the Holly Road intersection.
- Left turns from southbound Everhart Road will still be restricted at Holly Road, Bonner Drive and Curtis Clark Drive.
- Left turns from northbound Everhart Road will be restricted at Bonner Drive, Curtis Clark Drive and Corona Drive.
- The right turn lane on Holly Road is closed but right turns onto northbound Everhart Road is allowed from the right travel lane.
- Sidewalks will continue to be closed along Phase 1 until the completion of the project. Phase 2 sidewalks will also be closed along the east side of Everhart Road from Bonner Drive to Corona Drive.
- Phase 2 northbound lanes are closed from Bonner Drive to Curtis Clark Drive.
- The right turn lane on Holly road is closed, but right turns onto northbound Everhart Road will still be allowed from the right travel lane.

Featured Business

Salon Owner Sees Increase in Business

Local Salon owner and hair stylist Rosemary Escamilla had concerns about the Everhart Road Project. Her business, Salon Techniques, is located at 5440 Everhart Road. Her studio is in the heart of construction, and Escamilla became worried about business when the COVID-19 pandemic hit.

Since she opened back up in May, business is booming. Escamilla saw an increase in clients and hired a new stylist. She also began taking clients by appointment only to avoid heavy traffic.

Escamilla said the construction is temporary and necessary to the businesses in the area. She feels the city deserves an updated roadway and likes the project's plan to reconstruct Everhart Road with concrete. Escamilla said she puts in some late nights and she's also looking forward to feeling safer with improved illumination.

FACE MASK

Do's & Don'ts

DO AVOID TOUCHING EYES, FACE, OR OUTSIDE FABRIC OF FACE MASK

DO TOUCH ELASTIC OR STRING TIES TO SAFELY PUT ON AND REMOVE

DON'T WEAR BELOW YOUR NOSE OR LEAVE YOUR CHIN UNCOVERED

DON'T REST YOUR MASK UNDER YOUR CHIN

WWW.CCTEXAS.COM/CORONAVIRUS

Cloth face masks and coverings can help slow the spread of COVID-19 when combined with every day preventive actions and social distancing. Remember to avoid touching the outside fabric of your face mask as it may contain germs from others.
