Construction Updates

Gas Department Continues Install of Gas Lines Next Week

This week, the contractor continued to lay the 10" sewer pipe and install wastewater manhole's between Curtis Clark Drive and Corona Drive. The contractor also began to remove existing sidewalks and driveways. Additionally, the Corpus Christi Gas Department started laying gas lines in the same area.

The contractor is expected to continue with the same installations and sidewalk work next week.

Safety is a top priority, so motorists and pedestrians are reminded to be aware of the work zone, follow all traffic control devices, and use alternate routes to avoid delays.

All work is weather permitting.

Closures include:

- Northbound lanes are closed from Holly Road to Corona Drive for construction.
- Northbound and southbound traffic is shifted to the southbound lanes (west side), from Holly Road to Corona Drive. Traffic is reduced to one-lane in each direction.
- Northbound traffic on Everhart Road will continue to be allowed to make left turns at the Holly Road intersection.
- Left turns from southbound Everhart Road will still be restricted at Holly Road, Bonner Drive and Curtis Clark Drive.
- Left turns from northbound Everhart Road will be restricted at Bonner Drive, Curtis Clark Drive and Corona Drive.
- The right turn lane on Holly Road is closed, but right turns onto northbound Everhart Road will still be allowed from the right travel lane.
- Sidewalks will continue to be closed along Phase 1 until the completion of the project. Phase 2 sidewalks will also be closed along the east side of Everhart Road from Bonner Drive to Corona Drive.
- Phase 2 northbound lanes are closed from Bonner Drive to Curtis Clark Drive.

Business Feature

Family Dentistry Enjoys New Sidewalks & Looks Forward to Finished Road

The Gonzalez Family Dentistry, located at 5622 Everhart Road, was opened in 2015 by Dr. Demetrio Gonzalez. The staff and their clients very much look forward to Everhart Road being completed. During the height of construction, the dentistry easily adjusted to increased traffic and closures, by directing clients to use the back entrance. Recently, the dentistry's staff and clients were able to begin enjoying their newly finished driveway along with new and improved sidewalks.

Stephanie Garcia has been a Registered Dental Assistant at the Gonzalez Family Dentistry since the beginning. She is proud of the "smile restoration" work they are doing for Corpus Christi families. Cosmetic dentistry, restorative procedures, teeth cleaning, routine exams and emergency dentistry are some of the services that the Gonzalez Family Dentistry offers to local clients.

For more information about their services please call 361-985-7422 or visit their website at <https://www.gonzalezfamilydentistry.com/>
