Construction Updates

ADA Ramp Installation at McArdle Road Intersection Continues

This week, as part of Phase 2 construction, continued installation of new curb, inlets, sidewalks, and driveways on the east side of Ayers Street from Sunnybrook Road to Gollihar Road is ongoing. Additionally, excavation and subgrade elevation work proceeds on the northbound lanes of Ayers Street near the South Padre Island Drive intersection while installation of ADA ramps at the McArdle Road intersection continues.

PEDESTRIAN & TURN LANE
IMPROVEMENT PROJECTS

WWW.CCTEXAS.COM/AYERS

Next week, the contractor plans to continue the installation of new concrete sidewalks, curb, inlets, and driveways on the east side of Ayers Street from Sunnybrook Road to Gollihar Road.

All work is weather permitting.

Safety is a top priority, so motorists and pedestrians are reminded to be aware of the work zone, follow all traffic control devices, and use alternate routes to avoid delays.

Traffic Changes & Lane Closures:

- Northbound Ayers Street is closed at the Crosstown/SPID Interchange (frontage road) intersection. Thru traffic is encouraged to seek alternate routes to access businesses in the area.
- Ayers Street is also reduced to one lane, one-way traffic from Gollihar Road to SPID (southbound direction only).
- Johanna Street to Crosstown/SPID Interchange (Northbound) – The outside thru lane on Ayers Street is closed approaching the Crosstown/SPID interchange. This lane closure will continue through the underpass of SPID. This closure will not impact access to the eastbound frontage road of SPID.
- Johanna Street to Crosstown/SPID Interchange (Southbound) - The left-turn lane and median openings are closed.
- Crosstown/SPID Interchange & Ayers Street Intersection (Northbound) – Northbound Ayers Street is CLOSED at the Crosstown/SPID Interchange intersection. Motorists must use alternate detour routes such as the SH 286 northbound frontage road, Gollihar Road, Kostoryz Road, or McArdle Road to access local businesses.
- Crosstown/SPID Interchange to Gollihar Road – Ayers Street is reduced to one lane, one-way traffic flow in the southbound direction only. Access to all local businesses is provided.
- Ayers Street and Gollihar Road Intersection – The outside thru lane on Ayers Street, in the southbound direction only, is closed approaching the Gollihar Road intersection.
- SH 358 Frontage Road (Eastbound) – The shared thru left-turn lane is closed.

RTA bus stops are closed from Gollihar Road to SPID. Bus stops remain open at the Port Ayers Transfer Station.
