Construction Updates

Single Lane Closure for Ayers Street North of Gollihar Road Begins Tuesday

This week, ADA ramp installation at the Ayers Street and McArdle Road intersection, in addition to the sidewalk installation from South Padre Island Drive to Nemece Street, was completed as part of Phase 2 construction. Concrete work for curbs, inlets, sidewalks, and driveways continues from Sunnybrook Road to Gollihar Road.

On Tuesday, January 18, a single lane closure for the outside northbound lane of Ayers Street will be put in place from Gollihar Road to Alexander Street. The single lane closure will allow the contractor to begin sidewalk installation on Ayers Street, north of the Gollihar Road intersection.

Next week, the contractor will begin with the demolition and grading of the sidewalk and driveways from Alexander Street to Gollihar Road. Additionally, concrete installations will continue along Ayers Street from Sunnybrook Road to Gollihar Road.

All work is weather permitting.

Safety is a top priority, so motorists and pedestrians are reminded to be aware of the work zone, follow all traffic control devices, and use alternate routes to avoid delays.

Traffic Changes:

Beginning Tuesday, January 18, 2022:
The outside travel lane on northbound Ayers Street will be CLOSED between Gollihar Road and Alexander Street.

Lane Closures:

- Northbound Ayers Street is closed at the Crosstown/SPID Interchange (frontage road) intersection. Thru traffic is encouraged to seek alternate routes to access businesses in the area.
- Ayers Street is also reduced to one lane, one-way traffic from Gollihar Road to SPID (southbound direction only).
- Johanna Street to Crosstown/SPID Interchange (Northbound) – The outside thru lane on Ayers Street is closed approaching the Crosstown/SPID interchange. This lane closure will continue through the underpass of SPID. This closure will not impact access to the eastbound frontage road of SPID.
- Johanna Street to Crosstown/SPID Interchange (Southbound) - The left-turn lane and median openings are closed.
- Crosstown/SPID Interchange & Ayers Street Intersection (Northbound) – Northbound Ayers Street is CLOSED at the Crosstown/SPID Interchange intersection. Motorists must use alternate detour routes such as the SH 286 northbound frontage road, Gollihar Road, Kostoryz Road, or McArdle Road to access local businesses.
- Crosstown/SPID Interchange to Gollihar Road – Ayers Street is reduced to one lane, one-way traffic flow in the southbound direction only. Access to all local businesses is provided.
- Ayers Street and Gollihar Road Intersection – The outside thru lane on Ayers Street, in the southbound direction only, is closed approaching the Gollihar Road intersection.
- SH 358 Frontage Road (Eastbound) – The shared thru left-turn lane is closed.

RTA bus stops are closed from Gollihar Road to SPID. Bus stops remain open at the Port Ayers Transfer Station.
