Construction Updates

Street Work Continues To Move South

This week the General Contractor continued street excavation, compaction, and limestone base installation along the west side of Ayers Street moving north to south. Next week, this work is expected to continue with the additional lowering of grate inlets.

AYERS STREET

FROM S.P.I.D. TO GOLLIHAR ROAD

PEDESTRIAN & TURN LANE IMPROVEMENT PROJECTS

WWW.CCTEXAS.COM/AYERS

Safety is a top priority, so motorists and pedestrians are reminded to be aware of the work zone, follow all traffic control devices, and use alternate routes to avoid delays.

All work is weather permitting.

Closures & Changes Include:

- Johanna Street to Crosstown/SPID Interchange (Northbound) – The outside thru lane on Ayers Street will be closed approaching the Crosstown/SPID interchange. This lane closure will continue through the underpass of SPID. This closure will not impact access to the eastbound frontage road.
- Johanna Street to Crosstown/SPID Interchange (Southbound) - The left turn lane and median openings will be closed.
- Crosstown/SPID Interchange to McArdle Road – Northbound Ayers Street will be CLOSED at the Crosstown/SPID Interchange intersection. Motorists must use alternate detour routes such as the SH 286 northbound frontage road, Gollihar Road, Kostoryz Road, or McArdle Road to access local businesses between the frontage road and McArdle Road.
- McArdle Road to Gollihar Road (Northbound) – Ayers Street will be closed to northbound thru traffic at the intersection at McArdle Road. Thru traffic is required to follow the McArdle Road detour and avoid local and residential side streets.
- McArdle Road to Gollihar Road (Southbound) - Ayers Street will be reduced to one lane, one-way traffic flow in the southbound direction only. Access to all local businesses is provided.
- Ayers Street and Gollihar Road Intersection – The outside thru lane on Ayers Street, in the southbound direction only, will be closed approaching the Gollihar Road intersection.
- SH 358 Frontage Road (Eastbound) – The shared thru left turn lane will be closed.

Business Feature

Security Training and Carry Courses on Ayers Street

Loss Prevention Texas has been operating in Corpus Christi for over 6 years and their current facility is located at 4701 Ayers Street, Suite 600-3. Owner and Educator Clarence J. Simmons has over 20 years of experience in law enforcement and private security. He is dedicated to educating other security professionals in their field of work, says assistant Josefa Regalada. Loss Prevention Texas looks forward to a significant improvement to safe driving conditions in the Ayers Street area once street construction is finally completed.

Loss Prevention Texas offers a broad range of courses and trainings to their customers. Courses include; weapons qualifications, advanced firearms, defensive tactics, Process Server Certification and armed and unarmed security training. Certification courses in First Aid, AED, CPR, License to Carry and Concealed Handgun Licenses are also offered. Online Zoom trainings, due to COVID-19, are offered for courses when they qualify for socially distant training.

Visit the Loss Prevention Texas website at lptips.com to learn more, view their course calendar and register for classes online.
