Construction Updates

Excavating Continues On Ayers Street

This week, construction crews continued street excavating, subgrade compaction, and limestone base along the west side of Ayers Street moving north to south. Construction crews also began installing risers on top of the 3x6 reinforced concrete boxes. Crews also poured concrete for new curbs and gutters at the southwest corner of Gollihar Road and Ayers Street.

AYERS STREET

FROM S.P.I.D. TO GOLLIHAR ROAD

PEDESTRIAN & TURN LANE IMPROVEMENT PROJECTS

WWW.CCTEXAS.COM/AYERS

Next week, all street excavating, riser install, subgrade compaction, and limestone base is expected to continue into next week.

Safety is a top priority, so motorists and pedestrians are reminded to be aware of the work zone, follow all traffic control devices, and use alternate routes to avoid delays.

All work is weather permitting.

Closures & Changes Include:

- Johanna Street to Crosstown/SPID Interchange (Northbound) – The outside thru lane on Ayers Street will be closed approaching the Crosstown/SPID interchange. This lane closure will continue through the underpass of SPID. This closure will not impact access to the eastbound frontage road.
- Johanna Street to Crosstown/SPID Interchange (Southbound) - The left turn lane and median openings will be closed.
- Crosstown/SPID Interchange to McArdle Road – Northbound Ayers Street will be CLOSED at the Crosstown/SPID Interchange intersection. Motorists must use alternate detour routes such as the SH 286 northbound frontage road, Gollihar Road, Kostoryz Road, or McArdle Road to access local businesses between the frontage road and McArdle Road.
- McArdle Road to Gollihar Road (Northbound) – Ayers Street will be closed to northbound thru traffic at the intersection at McArdle Road. Thru traffic is required to follow the McArdle Road detour and avoid local and residential side streets.
- McArdle Road to Gollihar Road (Southbound) - Ayers Street will be reduced to one lane, one-way traffic flow in the southbound direction only. Access to all local businesses is provided.
- Ayers Street and Gollihar Road Intersection – The outside thru lane on Ayers Street, in the southbound direction only, will be closed approaching the Gollihar Road intersection.
- SH 358 Frontage Road (Eastbound) – The shared thru left turn lane will be closed.

Business Feature

Solar Panels & Consultations on Ayers Street

Zenith Solar has been open for business on Ayers Street in Corpus Christi for over 2 years. Their location has recently changed to 4312 Ayers Street, Suite 312 and it offers convenient access to the Crosstown frontage road, says Angela Requardt, Zenith Solar Project Manager. This allows for their clients to avoid the Ayers Street construction zone. While Zenith Solar has remained unaffected by ongoing construction on Ayers Street, the business looks forward to a much-improved roadway.

Zenith Solar offers solar panels, panel installation, power storage options, and free consultations for residential homeowners. Corpus Christi residents who are considering using solar energy are invited to explore the potential for an independent power supply and earning income from harvested and unused solar energy. In addition to managing projects that will meet 100% of a homeowner's power needs, Zenith Solar is also currently offering a 0% down payment for their solar solutions. Local homeowners can schedule a free consultation by calling 361-353-0900 or get more information on their website getzinithsolar.com.

4531 Ayers Street, Suite 312

The City of Corpus Christi is teaming up with presenting sponsor H-E-B for the Mayor's New Year's Eve Big Bang Firework Show. The public is encouraged to watch the show on December 31, beginning at 7 PM, from their vehicles or on Facebook Live.
