Construction Updates

Weather Does Not Delay Ayers Street Construction

This week, despite wet weather the contractor continued to work on sidewalks, driveways, bus stops, and curb inlet tops in the area of Nemece Drive and to Gollihar Road. Next week, this work is expected to continue in the same area.

Safety is a top priority, so motorists and pedestrians are reminded to be aware of the work zone, follow all traffic control devices, and use alternate routes to avoid delays.

All work is weather permitting.

Closures & Changes Include:

- Johanna Street to Crosstown/SPID Interchange (Northbound) – The outside thru lane on Ayers Street will be closed approaching the Crosstown/SPID interchange. This lane closure will continue through the underpass of SPID. This closure will not impact access to the eastbound frontage road.
- Johanna Street to Crosstown/SPID Interchange (Southbound) - The left turn lane and median openings will be closed.
- Crosstown/SPID Interchange to McArdle Road – Northbound Ayers Street will be CLOSED at the Crosstown/SPID Interchange intersection. Motorists must use alternate detour routes such as the SH 286 northbound frontage road, Gollihar Road, Kostoryz Road, or McArdle Road to access local businesses between the frontage road and McArdle Road.
- McArdle Road to Gollihar Road (Northbound) – Ayers Street will be closed to northbound thru traffic at the intersection at McArdle Road. Thru traffic is required to follow the McArdle Road detour and avoid local and residential side streets.
- McArdle Road to Gollihar Road (Southbound) - Ayers Street will be reduced to one lane, one-way traffic flow in the southbound direction only. Access to all local businesses is provided.
- Ayers Street and Gollihar Road Intersection – The outside thru lane on Ayers Street, in the southbound direction only, will be closed approaching the Gollihar Road intersection.
- SH 358 Frontage Road (Eastbound) – The shared thru left turn lane will be closed.

Business Feature

Daily Labor Staffing Agency on Ayers Street

Labor Finders Corpus Christi branch is located at 4701 Ayers Street in Suite 205. The staffing agency has operated in service to local industry employers for several years, says local office manager, Samantha Ritchey. Ritchey says that Labor Finders operations have remained unaffected by the Ayers Street construction project, and their staff looks forward to benefiting daily with a safer drive, when the project is completed.

The Labor Finders staffing agency acts as a hub between their clients, industry employers, and local workers looking for employment. Laborers for construction, warehouse work, clean-ups and heavy equipment operations are among the industry work opportunities. Employers looking for staff can contract their staffing agency at their Corpus Christi branch at 361-854-7733 or via email at corpuschristi@laborfinders.com. Job seekers can contact the agency via their website www.laborfinders.com.
