### Construction Updates

#### AEP Continues Work in the Area

Exploratory work continued this week as contractors worked to locate existing underground utilities in preparation for the install of a new reinforced concrete box along the west side of Ayers Street from Nemec Street to Gollihar Road.

AEP continues to prepare the area for the relocation of the electrical poles on the west side of Ayers Street and McArdle Road.

All work is weather permitting.

### Featured Business

#### Preventing accidents top priority for Auto Graphics Business

You might have seen the company's work around our city. Top Quality Tint and Auto Graphics has created many promotional wraps for vehicles including the Corpus Christi Police Department's units and Solid Waste Services' garbage and recycling trucks.

For the last eight years, the business has been located at 5431 Ayers Street, #308 and the owners like the central location. Part owner Juan Leal says they decided to move to Ayers Street after the company began rapidly expanding.

Leal is happy about the upcoming street construction which includes sidewalk and lighting upgrades. He said he witnessed an Ayers Street accident involving a pedestrian and believes the improvements will help prevent future accidents.
