Welcome to the Corpus Christi Cone Zone Ayers Edition

The latest information on the Ayers Pedestrian project direct to your inbox!

Construction Updates

Phase 2 Coming Soon!

This week, the Ayers Street project moved forward with the installation of new driveways, sidewalks, limestone base, and ADA ramps. This work is expected to continue next week along with some additional signalization work.

The Phase 2 traffic switch is anticipated to occur in the coming weeks. Additional information will be provided soon.

Safety is a top priority, so motorists and pedestrians are reminded to be aware of the work zone, follow all traffic control devices, and use alternate routes to avoid delays.

All work is weather permitting.

Closures & Changes Include:

- Johanna Street to Crosstown/SPID Interchange (Northbound) – The outside thru lane on Ayers Street will be closed approaching the Crosstown/SPID interchange. This lane closure will continue through the underpass of SPID. This closure will not impact access to the eastbound frontage road.
- Johanna Street to Crosstown/SPID Interchange (Southbound) - The left turn lane and median openings will be closed.
- Crosstown/SPID Interchange to McArdle Road – Northbound Ayers Street will be CLOSED at the Crosstown/SPID Interchange intersection. Motorists must use alternate detour routes such as the SH 286 northbound frontage road, Gollihar Road, Kostoryz Road, or McArdle Road to access local businesses between the frontage road and McArdle Road.
- McArdle Road to Gollihar Road (Northbound) – Ayers Street will be closed to northbound thru traffic at the intersection at McArdle Road. Thru traffic is required to follow the McArdle Road detour and avoid local and residential side streets.
- McArdle Road to Gollihar Road (Southbound) - Ayers Street will be reduced to one lane, one-way traffic flow in the southbound direction only. Access to all local businesses is provided.
- Ayers Street and Gollihar Road Intersection – The outside thru lane on Ayers Street, in the southbound direction only, will be closed approaching the Gollihar Road intersection.
- SH 358 Frontage Road (Eastbound) – The shared thru left turn lane will be closed.

Email Updates - Tell Your Neighbors To Sign Up!

Good News! You are already receiving the email alerts for construction. We need your help in spreading the word to neighboring businesses on Ayers.

Business Feature

Tattoo Supply Shop on Ayers Street

Star Tattoo Supplies opened shop at 4701 Ayers Street, Suite 102 last year after the start of the Ayers Street construction project. Owner Sergio "Star" Estrella has noticed a steady flow of traffic in front of his shop as a result of drivers seeking a convenient exit from the project's traffic detour, which has been good for his business. Once construction on Ayers Street is completed, Mr. Estrella looks forward to the positive effects of a newly reconstructed road.

Star Tattoo Supplies carries a broad array of tattoo and piercing supplies for wholesale and retail sale. Supplies vary from tattoo machines, parts, power supplies and ink to jewelry and apparel. To find out more about products and services you can call 361-446-7359 or find them on [Facebook](#). Shop hours at Star Tattoo Supplies are Monday – Saturday, 2pm – 7pm and closed on Sundays, except by special appointment.

4701 Ayers Street, Suite 102
