Construction Updates

Concrete Driveway & Sidewalk Installation Progress on the West Side of Ayers Street

This week, concrete driveway and sidewalk installation on the West side of Ayers Street continued and is expected to be complete next week, weather permitting. In addition, the limestone road base will be finished and primed next week.

The Phase 2 traffic switch is anticipated to occur by the end of March. Additional information will be provided soon.

Safety is the City's top priority. Motorists and pedestrians are reminded to be aware of the work zone, follow all traffic control devices, and use alternate routes to avoid delays.

All work is weather permitting.

Closures & Changes Include:

- Johanna Street to Crosstown/SPID Interchange (Northbound) – The outside thru lane on Ayers Street will be closed approaching the Crosstown/SPID interchange. This lane closure will continue through the underpass of SPID. This closure will not impact access to the eastbound frontage road.
- Johanna Street to Crosstown/SPID Interchange (Southbound) - The left turn lane and median openings will be closed.
- Crosstown/SPID Interchange to McArdle Road – Northbound Ayers Street will be CLOSED at the Crosstown/SPID Interchange intersection. Motorists must use alternate detour routes such as the SH 286 northbound frontage road, Gollihar Road, Kostoryz Road, or McArdle Road to access local businesses between the frontage road and McArdle Road.
- McArdle Road to Gollihar Road (Northbound) – Ayers Street will be closed to northbound thru traffic at the intersection at McArdle Road. Thru traffic is required to follow the McArdle Road detour and avoid local and residential side streets.
- McArdle Road to Gollihar Road (Southbound) - Ayers Street will be reduced to one lane, one-way traffic flow in the southbound direction only. Access to all local businesses is provided.
- Ayers Street and Gollihar Road Intersection – The outside thru lane on Ayers Street, in the southbound direction only, will be closed approaching the Gollihar Road intersection.
- SH 358 Frontage Road (Eastbound) – The shared thru left turn lane will be closed.

Business Feature

Custom Vehicle Audio & Video System Installation on Ayers Street

501 Kustoms has been operating for nine years in Corpus Christi under the leadership of Victor Hernandez, owner and operator. The custom installation shop is currently located at 4531 Ayers Street, Suite 207. Mr. Hernandez welcomed the expected street improvements at the start of the Ayers Street Construction project, and now looks forward to his business benefiting from the project's recent progress.

501 Kustoms specializes in custom installation of radio, audio, lighting and visual accessories in all types of vehicles like, trucks, cars, boats, and ATVs. Options for custom installation pieces is focused on after-market accessories. Mr. Hernandez prefers to serve his customers by "completing 1 project at a time" from start to finish. 501 Kustoms hours of operation also prioritize the schedule of working people, open from 1pm – 9pm, Monday – Saturday. To find out more about installation services and options call 501 Kustoms at 361-553-9533 or visit their [Facebook page](#).

4531 Ayers Street, Suite 207
