This week concrete driveway and sidewalk installation on the west side of Ayers Street was completed. In addition, work on the road base continued to prepare the road for paving.

Next week, the contractor expects to begin asphalt installation.

**The Phase 2 traffic switch is planned to take place on Monday, March 29, 2021. Additional information on the traffic switch will be provided soon.**

Safety is the City's top priority. Motorists and pedestrians are reminded to be aware of the work zone, follow all traffic control devices, and use alternate routes to avoid delays.

All work is weather permitting.
