Construction Updates

Preparation for Paving West Side of Ayers Street Continues

This week the contractor continues to prepare the base of the roadway for asphalt paving on the western half of Ayers Street.

Weather permitting, asphalt installation is expected to begin next week.

The Phase 2 traffic switch is planned to take place in April 2021, information on the traffic switch will be provided soon.

Safety is the City's top priority. Motorists and pedestrians are reminded to be aware of the work zone, follow all traffic control devices, and use alternate routes to avoid delays.

All work is weather permitting.

Lane Closures:

- Johanna Street to Crosstown/SPID Interchange (Northbound) – The outside thru lane on Ayers Street is closed approaching the Crosstown/SPID interchange. This lane closure will continue through the underpass of SPID. This closure will not impact access to the eastbound frontage road.
- Johanna Street to Crosstown/SPID Interchange (Southbound) - The left turn lane and median openings are closed.
- Crosstown/SPID Interchange & Ayers Street Intersection (Northbound) – Northbound Ayers Street is CLOSED at the Crosstown/SPID Interchange intersection. Motorists must use alternate detour routes such as the SH 286 northbound frontage road, Gollihar Road, Kostoryz Road, or McArdle Road to access local businesses.
- Crosstown/SPID Interchange to Gollihar Road – Ayers Street is reduced to one-lane, one-way traffic flow in the southbound direction only. Access to all local businesses is provided.
- Ayers Street and Gollihar Road Intersection – The outside thru lane on Ayers Street, in the southbound direction only, is closed approaching the Gollihar Road intersection.
- SH 358 Frontage Road (Eastbound) – The shared thru left turn lane is closed.

Business Feature

Wheel Repair & Powder-Coat Shop Relocated on Ayers Street

United Wheel Repair has been operating from their new facility at 5158 Ayers Street since April of 2020. The business has been located on Ayers Street for 16 years, formerly at 4531 Ayers Street. General manager, Kelly Claudillo is extremely pleased with the relocation and new shop facility. While United Wheel Repair is currently relocated outside the active Ayers Street construction zone, their proximity to the lane closures at the Ayers Street and South Padre Island Drive intersection still affects the business and they look forward to progression of the project and improvement of traffic flow on Ayers Street.

While United Wheel Repair is known to specialize in wheel repair and chrome plating, they also have the capability to powder-coat a variety of modern auto parts and an array of other items, such as furniture, antiques and classic auto restoration parts. Shop days and hours of operation are Monday – Thursday 7am – 4pm and Fridays 9am – 1pm. To learn more about services at United Wheel Repair contact them at [361-854-7040](tel:361-854-7040).
