Construction Updates

Ayers Street Traffic Changes Coming Soon

Next week, the Ayers Street contractor will work to complete the installation of the traffic control plan needed to begin construction. Traffic changes include reducing Ayers Street to one lane traffic from Gollihar Road to McArdle Road moving southbound one-way.

Also, beginning next week northbound Ayers Street will be CLOSED at the intersection of Ayers Street and the frontage road (Crosstown/SPID Interchange). Thru traffic is encouraged to seek alternate routes to access businesses in the area.

Additionally, RTA bus stops will be closed from Gollihar Road to SPID. Bus stops will remain open in the area of Port Ave and Ayers Street.

All work is weather permitting.

Closures & Changes Include:

- **Johanna Street to Crosstown/SPID Interchange (Northbound)**– The outside thru lane on Ayers Street will be closed approaching the Crosstown/SPID interchange. This lane closure will continue through the underpass of SPID. This closure will not impact access to the eastbound frontage road.
- **Johanna Street to Crosstown/SPID Interchange (Southbound)** - The left turn lane and median openings will be closed.
- **Crosstown/SPID Interchange to McArdle Road**– Northbound Ayers Street will be CLOSED at the Crosstown/SPID Interchange intersection. Motorists must use alternate detour routes such as the SH 286 northbound frontage road, Gollihar Road, Kostoryz Road, or McArdle Road to access local businesses between the frontage road and McArdle Road.
- **McArdle Road to Gollihar Road (Northbound)**– Ayers Street will be closed to northbound thru traffic at the intersection at McArdle Road. Thru traffic is required to follow the McArdle Road detour and avoid local and residential side streets.
- **McArdle Road to Gollihar Road (Southbound)**- Ayers Street will be reduced to one lane, one-way traffic flow in the southbound direction only. Access to all local businesses is provided.
- **Ayers Street and Gollihar Road Intersection** – The outside thru lane on Ayers Street, in the southbound direction only, will be closed approaching the Gollihar Road intersection.
- **SH 358 Frontage Road (Eastbound)** – The shared thru left turn lane will be closed.

Email Updates - Tell Your Neighbors To Sign Up!

Good News! You are already receiving the email alerts for construction. We need your help in spreading the word to neighboring businesses on Ayers.

Featured Business

Restaurant Ready to Serve during Construction

Laura Rodriguez, Manager of La Tapatia Restaurant located on 4521 Ayers Street says they have complied with orders from the CDC to close their dining room but their drive thru service remains open for business.

La Tapatia has been located on Ayers Street for the last 18 years. Rodriguez worries the ongoing construction could temporarily impact her restaurant. But she believes the construction of a turning lane on Ayers Street will benefit everyone and will help prevent accidents.

CORONAVIRUS-19 (COVID-19)

TWO-STEP HEALTH CHECK

1

Contact the Public Health District (361) 826-7200 where an assessment is conducted to determine if you meet Centers for Disease Control criteria.

2

Go-to scheduled appointment at the drive-through screening center where testing will be conducted.

The Corpus Christi-Nueces County Public Health District will provide drive-through screenings for those with symptoms linked to the Coronavirus. Individuals who have symptoms are asked to follow the two-step health check.
