Car Lot Supports City Street Improvements

LOFI Motors has been around for almost 13 years. It's located at 4634 Ayers Street and specializes in selling and financing used vehicles.

Tony Lizarraga is part of the management team and is looking forward to seeing the results of the street improvements. He supports the construction of sidewalks and wider roads and believes the work will enhance the area.

Although he worries about the project's time frame, Lizarraga believes it will benefit the community.
