Construction Updates

Milling of Existing Roadway Begins

This week the contractor began milling the existing roadway on the eastside of Ayers and sodding along the westside. Additionally, the contractor is actively working on addressing minor traffic control concerns.

As part of Phase 2 construction, the contractor plans to remove existing driveways beginning next week. The City's Storm Water Utility crew will conduct the installation of storm sewer pipes.

Safety is the City's top priority. Motorists and pedestrians are reminded to be aware of the work zone, follow all traffic control devices, and use alternate routes to avoid delays.

All work is weather permitting.

Lane Closures:

- Johanna Street to Crosstown/SPID Interchange (Northbound) – The outside thru lane on Ayers Street is closed approaching the Crosstown/SPID interchange. This lane closure will continue through the underpass of SPID. This closure will not impact access to the eastbound frontage road.
- Johanna Street to Crosstown/SPID Interchange (Southbound) - The left turn lane and median openings are closed.
- Crosstown/SPID Interchange & Ayers Street Intersection (Northbound) – Northbound Ayers Street is CLOSED at the Crosstown/SPID Interchange intersection. Motorists must use alternate detour routes such as the SH 286 northbound frontage road, Gollihar Road, Kostoryz Road, or McArdle Road to access local businesses.
- Crosstown/SPID Interchange to Gollihar Road – Ayers Street is reduced to one-lane, one-way traffic flow in the southbound direction only. Access to all local businesses is provided.
- Ayers Street and Gollihar Road Intersection – The outside thru lane on Ayers Street, in the southbound direction only, is closed approaching the Gollihar Road intersection.
- SH 358 Frontage Road (Eastbound) – The shared thru left turn lane is closed.

Email Updates - Tell Your Neighbors To Sign Up!

Good News! You are already receiving the email alerts for construction. We need your help in spreading the word to neighboring businesses on Ayers.

Business Feature

Motorcycle Parts & Gear Store on Ayers Street

Dynamo Cycle has been operating in Corpus Christi since 1999 and the store has been open at 4531 Ayers Street, Suite 407 since 2003. Danny Clark, president of Dynamo Cycle is proud to call Ayers Street Dynamo Cycle's longtime home. The more recent phase of the Ayers Street construction project has switched one-way southbound traffic to the recently re-built and paved side of the roadway. Mr. Clark is glad that drivers can now have an improved ride experience on Ayers Street so soon during construction.

Dynamo Cycle specializes in offering a full variety of essential motorcycle parts and gear for bikers, "everything but the motorcycle" as Mr. Clark says. Dynamo Cycle remains active with updates on store specials and special events on their [Facebook](#) and [Instagram](#) pages. Store hours are 10am – 6pm Monday – Friday, and 10am – 4pm Saturdays. For more information call Dynamo Cycle at [361-853-6686](tel:361-853-6686).

4531 Ayers Street, Suite 407
