All work is weather permitting.

### Featured Business

#### Area roads need to be updated to make it safer for all

Known as the “Frutera del Pueblo” or village’s fruit stand, Fruit King at 4702 Ayers Street has been providing customers with produce at discounted prices for the last 30 years.

Store Manager, Sally Martinez, welcomes the pedestrian improvement work saying it will benefit pedestrians, along with drivers. Her only worry is the possibility of losing parking spaces in front of the store to make way for an additional lane.
