Construction Updates

Waterline and Exploratory Work Continues

As part of the Ayers Street pedestrian improvement project, the contractor continued this week conducting exploratory work along the west side of Ayers Street from South Padre Island Drive (SPID) to Gollihar Road.

Additionally, the contractor continued with the installation of an 8" waterline along the west side of Ayers Street from Nemec Street to Mansheim Road.

Next week, the contractor is expected to continue both the exploratory work and the installation of the 8" waterline and fire hydrants.

All work is weather permitting.

Closures & Changes Include:

- **Johanna Street to Crosstown/SPID Interchange (Northbound)**– The outside thru lane on Ayers Street will be closed approaching the Crosstown/SPID interchange. This lane closure will continue through the underpass of SPID. This closure will not impact access to the eastbound frontage road.
- **Johanna Street to Crosstown/SPID Interchange (Southbound)** - The left turn lane and median openings will be closed.
- **Crosstown/SPID Interchange to McArdle Road**– Northbound Ayers Street will be CLOSED at the Crosstown/SPID Interchange intersection. Motorists must use alternate detour routes such as the SH 286 northbound frontage road, Gollihar Road, Kostoryz Road, or McArdle Road to access local businesses between the frontage road and McArdle Road.
- **McArdle Road to Gollihar Road (Northbound)**– Ayers Street will be closed to northbound thru traffic at the intersection at McArdle Road. Thru traffic is required to follow the McArdle Road detour and avoid local and residential side streets.
- **McArdle Road to Gollihar Road (Southbound)**- Ayers Street will be reduced to one lane, one-way traffic flow in the southbound direction only. Access to all local businesses is provided.
- **Ayers Street and Gollihar Road Intersection** – The outside thru lane on Ayers Street, in the southbound direction only, will be closed approaching the Gollihar Road intersection.
- **SH 358 Frontage Road (Eastbound)** – The shared thru left turn lane will be closed.

Featured Business

Owner Expects Project to Improve Safety All Around 4-23-20

Vicks Famous Hamburgers has been located at 4989 Ayers Street for the last 20 years. George Pollakis is a second-generation owner; in 1976 his father opened the first Vicks on Port Avenue. The popular burger joints offer what he calls the best hamburger in town, the "Ultimate Burger".

Pollakis said the Ayers Street location is centrally located and has a great flow of customers which he expects will increase when the construction project is complete. Pollakis has witnessed his share of accidents in the area but believes new lighting and sidewalks, and work on the median, will improve everyone's safety.
