Construction Updates

Storm Sewer Pipe Installation Begins

This week the contractor began installing storm sewer pipes on Ayers Street from Neme Street to Gollihar Road. Additionally, demolition and removal of the existing concrete curb, gutter, sidewalk, and driveways continues. Exploratory excavation for utilities will also continue.

Next week, the contractor plans to install curb inlets and manholes in addition to storm sewer pipes. Demolition and removal of existing concrete driveways are also expected to continue.

All work is weather permitting.

Safety is a top priority, so motorists and pedestrians are reminded to be aware of the work zone, follow all traffic control devices, and use alternate routes to avoid delays.

Lane Closures:

- Johanna Street to Crosstown/SPID Interchange (Northbound) – The outside thru lane on Ayers Street is closed approaching the Crosstown/SPID interchange. This lane closure will continue through the underpass of SPID. This closure will not impact access to the eastbound frontage road.
- Johanna Street to Crosstown/SPID Interchange (Southbound) - The left turn lane and median openings are closed.
- Crosstown/SPID Interchange & Ayers Street Intersection (Northbound) – Northbound Ayers Street is CLOSED at the Crosstown/SPID Interchange intersection. Motorists must use alternate detour routes such as the SH 286 northbound frontage road, Gollihar Road, Kostoryz Road, or McArdle Road to access local businesses.
- Crosstown/SPID Interchange to Gollihar Road – Ayers Street is reduced to one-lane, one-way traffic flow in the southbound direction only. Access to all local businesses is provided.
- Ayers Street and Gollihar Road Intersection – The outside thru lane on Ayers Street, in the southbound direction only, is closed approaching the Gollihar Road intersection.
- SH 358 Frontage Road (Eastbound) – The shared thru left turn lane is closed.
