Construction Updates

Phase 2 Traffic Switch Planned for Friday, April 9th

This week the contractor completed laying Type B asphalt along the west side of Ayers Street. The contractor will begin implementing the Phase 2 Traffic Switch today, April 9th.

Next week, milling of the existing roadway will begin, weather permitting.

Safety is the City's top priority. Motorists and pedestrians are reminded to be aware of the work zone, follow all traffic control devices, and use alternate routes to avoid delays.

All work is weather permitting.

Lane Closures:

- Johanna Street to Crosstown/SPID Interchange (Northbound) – The outside thru lane on Ayers Street is closed approaching the Crosstown/SPID interchange. This lane closure will continue through the underpass of SPID. This closure will not impact access to the eastbound frontage road.
- Johanna Street to Crosstown/SPID Interchange (Southbound) - The left turn lane and median openings are closed.
- Crosstown/SPID Interchange & Ayers Street Intersection (Northbound) – Northbound Ayers Street is CLOSED at the Crosstown/SPID Interchange intersection. Motorists must use alternate detour routes such as the SH 286 northbound frontage road, Gollihar Road, Kostoryz Road, or McArdle Road to access local businesses.
- Crosstown/SPID Interchange to Gollihar Road – Ayers Street is reduced to one-lane, one-way traffic flow in the southbound direction only. Access to all local businesses is provided.
- Ayers Street and Gollihar Road Intersection – The outside thru lane on Ayers Street, in the southbound direction only, is closed approaching the Gollihar Road intersection.
- SH 358 Frontage Road (Eastbound) – The shared thru left turn lane is closed.

Business Feature

Technology Installation Service Provider Operating on Ayers Street for 9 Years

Directek Inc. has operated from their location at 4536 Ayers Street for 9 years. The installation service provider has continued to serve their Corpus Christi area customers despite the challenges of being located along the construction path says operations manager, Israel Garza. While operating amid the Ayers Street construction project is often challenging, Directek Inc. anticipates improvement in traffic flow and safety as the project progresses.

As an installation service provider, Directek Inc. works with both residential and commercial customers. Among the services they offer are high speed internet and security camera installation. Directek Inc. also offers free on-site quotes for all of their potential customers. To book an appointment for services call Directek at [361-334-0601](tel:361-334-0601). Hours of operation are Monday – Friday, 9am – 5pm and Saturdays, 9am – 12pm.
