Construction Updates

Exploratory Work Efforts Continue

This week the Ayers Street Pedestrian contractor continued with the installation of the 8" waterline along the west side of Ayers Street from McArdle Road to Mansheim Boulevard. The contractor also installed fire hydrants in the same area.

Next week, crews will continue installing fire hydrants from McArdle Road to Gollihar Road as well as exploratory work from Mansheim Boulevard to Gollihar Road.

Safety is a top priority, so motorists and pedestrians are reminded to be aware of the work zone, follow all traffic control devices, and use alternate routes to avoid delays.

All work is weather permitting.

Closures & Changes Include:

- Johanna Street to Crosstown/SPID Interchange (Northbound)– The outside thru lane on Ayers Street will be closed approaching the Crosstown/SPID interchange. This lane closure will continue through the underpass of SPID. This closure will not impact access to the eastbound frontage road.
- Johanna Street to Crosstown/SPID Interchange (Southbound) - The left turn lane and median openings will be closed.
- Crosstown/SPID Interchange to McArdle Road– Northbound Ayers Street will be CLOSED at the Crosstown/SPID Interchange intersection. Motorists must use alternate detour routes such as the SH 286 northbound frontage road, Gollihar Road, Kostoryz Road, or McArdle Road to access local businesses between the frontage road and McArdle Road.
- McArdle Road to Gollihar Road (Northbound)– Ayers Street will be closed to northbound thru traffic at the intersection at McArdle Road. Thru traffic is required to follow the McArdle Road detour and avoid local and residential side streets.
- McArdle Road to Gollihar Road (Southbound)- Ayers Street will be reduced to one lane, one-way traffic flow in the southbound direction only. Access to all local businesses is provided.
- Ayers Street and Gollihar Road Intersection – The outside thru lane on Ayers Street, in the southbound direction only, will be closed approaching the Gollihar Road intersection.
- SH 358 Frontage Road (Eastbound) – The shared thru left turn lane will be closed.

Featured Business

Just need to be patient

Having a turning lane along with sidewalks for pedestrians is a great idea, said Mike Martinez, District Manager for World Finance Loan and Taxes.

The business has been located at 4531 Ayers Street Suite #405 for the last 15 years and was chosen because of the high traffic area. Although the barricades and the one-way traffic construction can sometimes be hectic, Martinez says it will be great once the project is finished and people just need to be patient.

Martinez says there have been many pedestrian accidents along that stretch of Ayers Street so improvements are welcome.

GYM & EXERCISE facilities

WASH OR DISINFECT HANDS UPON ENTERING

AVOID GROUPS LARGER THAN 10 & PRACTICE SOCIAL DISTANCING

DISINFECT EQUIPMENT BEFORE & AFTER USE

WEAR GLOVES WHILE EXERCISING

WWW.CCTEXAS.COM/CORONAVIRUS

This week, Governor Abbott allowed gym and exercise facilities to re-open across the state. During the COVID-19 pandemic, the following health protocols should be followed when visiting these facilities or classes. Learn more at: <https://bit.ly/2WMKtll>
