Welcome to the Corpus Christi Cone Zone Ayers Edition

The latest information on the Ayers Pedestrian project direct to your inbox!

Construction Updates

Rainy Weather Does Not Delay Construction

This week, the contractor removed excess water accumulation due to last week's rainstorms from the construction zone. They also continued the removal of existing concrete driveways, asphalt, curbs, gutters, and sidewalks in anticipation of new installations for the project.

WWW.CCTEXAS.COM/AYERS

City Staff also worked with area businesses to resolve some minor traffic control access issues. Additionally, business owners and stakeholders are encouraged to reach out if assistance is needed during the construction process.

Next week, the contractor will continue the installation of new storm sewer pipes, curb inlets, and manholes.

All work is weather permitting.

Safety is a top priority, so motorists and pedestrians are reminded to be aware of the work zone, follow all traffic control devices, and use alternate routes to avoid delays.

Lane Closures:

- Johanna Street to Crosstown/SPID Interchange (Northbound) – The outside thru lane on Ayers Street is closed approaching the Crosstown/SPID interchange. This lane closure will continue through the underpass of SPID. This closure will not impact access to the eastbound frontage road.
- Johanna Street to Crosstown/SPID Interchange (Southbound) - The left turn lane and median openings are closed.
- Crosstown/SPID Interchange & Ayers Street Intersection (Northbound) – Northbound Ayers Street is CLOSED at the Crosstown/SPID Interchange intersection. Motorists must use alternate detour routes such as the SH 286 northbound frontage road, Gollihar Road, Kostoryz Road, or McArdle Road to access local businesses.
- Crosstown/SPID Interchange to Gollihar Road – Ayers Street is reduced to one-lane, one-way traffic flow in the southbound direction only. Access to all local businesses is provided.
- Ayers Street and Gollihar Road Intersection – The outside thru lane on Ayers Street, in the southbound direction only, is closed approaching the Gollihar Road intersection.
- SH 358 Frontage Road (Eastbound) – The shared thru left turn lane is closed.

Business Feature

Gas Service Provider Looks Forward to Ayers Street Improvements

Gasti Inc. has been located at 4616 Ayers Street for over 11 years. Office manager Laura Flores says that the business is pleased with the Ayers Street project plans and looks forward to new sidewalks, curbs, street parking, and improved pedestrian safety. Gasti Inc. anticipates that the completion of the Ayers Street construction project will bring many benefits to the area, including a safer traffic flow and overall positive appearance.

Gasti Inc. offers gas industry services, sales, technician, and safety training. Their most needed services are gas utility service sales and crews who perform qualified work such as gas line maintenance and meter stops. To find out more about services and training offered by Gasti Inc., contact their office at [361-854-6922](tel:361-854-6922).
