Construction Updates

Waterline Work Continues Through Saturday, June 12

This week, installation of manholes, curb, and storm sewer pipes continued. Additionally, the contractor will work through Saturday to continue waterline installation for new fire hydrants.

Next week, work on the installation of storm sewer pipes, manholes, curb and fire hydrant waterlines is expected to continue along with street excavation.

All work is weather permitting.

Safety is a top priority, so motorists and pedestrians are reminded to be aware of the work zone, follow all traffic control devices, and use alternate routes to avoid delays.

Lane Closures:

- Johanna Street to Crosstown/SPID Interchange (Northbound) – The outside thru lane on Ayers Street is closed approaching the Crosstown/SPID interchange. This lane closure will continue through the underpass of SPID. This closure will not impact access to the eastbound frontage road.
- Johanna Street to Crosstown/SPID Interchange (Southbound) - The left turn lane and median openings are closed.
- Crosstown/SPID Interchange & Ayers Street Intersection (Northbound) – Northbound Ayers Street is CLOSED at the Crosstown/SPID Interchange intersection. Motorists must use alternate detour routes such as the SH 286 northbound frontage road, Gollihar Road, Kostoryz Road, or McArdle Road to access local businesses.
- Crosstown/SPID Interchange to Gollihar Road – Ayers Street is reduced to one-lane, one-way traffic flow in the southbound direction only. Access to all local businesses is provided.
- Ayers Street and Gollihar Road Intersection – The outside thru lane on Ayers Street, in the southbound direction only, is closed approaching the Gollihar Road intersection.
- SH 358 Frontage Road (Eastbound) – The shared thru left turn lane is closed.

Business Feature

Tool Retailer Appreciates Progress on Ayers Street Construction Project

Southern Fastening Systems has been open and operating in Corpus Christi for over 21 years and is currently located at 4351 Ayers Street, Suite 302. Operations manager, James Frye, says heavy truck access and traffic to the store has improved due to a newly rebuilt concrete driveway. Overall, they look forward to the completion of the Ayers Street construction project.

Southern Fastening Systems provides a wide variety of specialty products and tools related to building and construction; they include power tools, compressed-air power tools, and building/construction supplies. In addition to carrying popular specialty products for contractors, Southern Fastening Systems also offers tool repair services. Business hours are 8am – 12pm and 1 – 5pm Monday through Saturday. To find out more about what Southern Fastening Systems has to offer call: 361-854-9672 or visit their [website](#).

Beginning June 17, **Corpus Christi Animal Care Services** will offer **FREE** microchipping for cats and dogs. The service will be provided at their facility (2626 Holly Road) every Thursday from 1:00 - 4:30 p.m.

No appointment needed! Corpus Christi residents can just walk in with their dog or cat. Remember, dogs must be on a leash and cats must be in a crate. Wait times may vary.

5 D'S OF DEFENSE AGAINST MOSQUITOES

<p>Use insect repellent containing DEET.</p>	<p>Dress in long sleeves and pants when you're outside.</p>	<p>Dawn, Daytime, and Dusk are the times of day when mosquitoes are most active. Avoid being outside during these times.</p>	<p>Drain standing water, mosquitoes breed in stagnant water.</p>	<p>Consult a physician if you feel sick after being bitten.</p>
