Construction Updates

Waterline Install Nears Completion

The contractor is nearing completion of installing the 8" waterline along the west side of Ayers Street from McArdle Road to Mansheim Boulevard. The original deadline to complete the waterline was delayed due to weather conditions.

This week, street milling from Gollihar Road to Nemec Drive was complete as was the removing of the existing bus stop pads from Gollihar Road to McArdle Road.

Next week, will continue with the install of fire hydrants from McArdle to Gollihar Road as well as exploratory work from Mansheim Boulevard to Gollihar Road. The contractor will also continue installing the 6x3 junction and storm boxes at the intersection of Nemec Drive and Ayers Street.

Safety is a top priority, so motorists and pedestrians are reminded to be aware of the work zone, follow all traffic control devices, and use alternate routes to avoid delays.

All work is weather permitting.

Closures & Changes Include:

- Johanna Street to Crosstown/SPID Interchange (Northbound)– The outside thru lane on Ayers Street will be closed approaching the Crosstown/SPID interchange. This lane closure will continue through the underpass of SPID. This closure will not impact access to the eastbound frontage road.
- Johanna Street to Crosstown/SPID Interchange (Southbound) - The left turn lane and median openings will be closed.
- Crosstown/SPID Interchange to McArdle Road– Northbound Ayers Street will be CLOSED at the Crosstown/SPID Interchange intersection. Motorists must use alternate detour routes such as the SH 286 northbound frontage road, Gollihar Road, Kostoryz Road, or McArdle Road to access local businesses between the frontage road and McArdle Road.
- McArdle Road to Gollihar Road (Northbound)– Ayers Street will be closed to northbound thru traffic at the intersection at McArdle Road. Thru traffic is required to follow the McArdle Road detour and avoid local and residential side streets.
- McArdle Road to Gollihar Road (Southbound)- Ayers Street will be reduced to one lane, one-way traffic flow in the southbound direction only. Access to all local businesses is provided.
- Ayers Street and Gollihar Road Intersection – The outside thru lane on Ayers Street, in the southbound direction only, will be closed approaching the Gollihar Road intersection.
- SH 358 Frontage Road (Eastbound) – The shared thru left turn lane will be closed.

Featured Business

More Traffic, More Business

Tattoo Supplies has only been in Pharaoh Plaza in the 4700 block of Ayers Street for less than a month, but its owner Sergio Estrella believes the new location will bring in customers. Tattoo Supplies specializes in the sale of tattoo related services and jewelry. Estrella is also one of the tattoo artists.

When the Ayers Street Project is completed there will be a new turning median and better lighting among other features. Estrella said those improvements are very welcomed as he has had some close calls while waiting to make a left turn.
