## Welcome to the Corpus Christi Cone Zone Ayers Edition

The latest information on the Ayers Pedestrian project direct to your inbox!

### Construction Updates

#### Contractor Works to Complete 8" Waterline Soon

This week, utility work continued along the west side of Ayers Street from McArdle Road to Mansheim Boulevard. Crews are also nearing completion of the 8" waterline in the same area. Fire hydrants installation from McArdle Road to Gollihar Road began and is expected to continue into next week.

Next week, the contractor will continue with the install of the 6'x3' reinforced concrete storm sewer boxes from Nemec Drive to McArdle Road.

Safety is a top priority, so motorists and pedestrians are reminded to be aware of the work zone, follow all traffic control devices, and use alternate routes to avoid delays.

All work is weather permitting.

#### Closures & Changes Include:

- Johanna Street to Crosstown/SPID Interchange (Northbound) – The outside thru lane on Ayers Street will be closed approaching the Crosstown/SPID interchange. This lane closure will continue through the underpass of SPID. This closure will not impact access to the eastbound frontage road.
- Johanna Street to Crosstown/SPID Interchange (Southbound) - The left turn lane and median openings will be closed.
- Crosstown/SPID Interchange to McArdle Road – Northbound Ayers Street will be CLOSED at the Crosstown/SPID Interchange intersection. Motorists must use alternate detour routes such as the SH 286 northbound frontage road, Gollihar Road, Kostoryz Road, or McArdle Road to access local businesses between the frontage road and McArdle Road.
- McArdle Road to Gollihar Road (Northbound) – Ayers Street will be closed to northbound thru traffic at the intersection at McArdle Road. Thru traffic is required to follow the McArdle Road detour and avoid local and residential side streets.
- McArdle Road to Gollihar Road (Southbound) - Ayers Street will be reduced to one lane, one-way traffic flow in the southbound direction only. Access to all local businesses is provided.
- Ayers Street and Gollihar Road Intersection – The outside thru lane on Ayers Street, in the southbound direction only, will be closed approaching the Gollihar Road intersection.
- SH 358 Frontage Road (Eastbound) – The shared thru left turn lane will be closed.

#### Email Updates - Tell Your Neighbors To Sign Up!

Good News! You are already receiving the email alerts for construction. We need your help in spreading the word to neighboring businesses on Ayers.

### Featured Business

#### Owner Sees Increased Business in His Future

Foil Creations specializes in making signs, invitations, promotional items, and any type of printing. For the last nine years, it has been located at 4531 Ayers, #217. Owner Justin Gabrillo says he decided on the location because of the high vehicle traffic.

Gabrillo welcomes all the construction associated with the Ayers Street Project. He believes it will be good for the future because it will enhance protection for motorists and pedestrians. Gabrillo says the traffic may be difficult now, but the improvements will make everything worthwhile.
