Construction Updates

New Utility Work to Begin Next Week

This week, the Ayers Street Pedestrian contractor continued with the installation of the 8" waterline along the west side of Ayers Street from McArdle Road to Mansheim Boulevard. This installation is expected to be complete this week, weather permitting.

Next week, crews will continue with the install of the fire hydrants from McArdle Road to Gollihar Road as well as exploratory work from Mansheim Boulevard to Gollihar Road. The contractor will also begin street milling from Gollihar Road to Nemece Drive.

Additionally, the contractor will also begin bringing in and installing reinforced concrete boxes from Nemece Drive to McArdle Road.

Safety is a top priority, so motorists and pedestrians are reminded to be aware of the work zone, follow all traffic control devices, and use alternate routes to avoid delays.

All work is weather permitting.

Closures & Changes Include:

- Johanna Street to Crosstown/SPID Interchange (Northbound)– The outside thru lane on Ayers Street will be closed approaching the Crosstown/SPID interchange. This lane closure will continue through the underpass of SPID. This closure will not impact access to the eastbound frontage road.
- Johanna Street to Crosstown/SPID Interchange (Southbound) - The left turn lane and median openings will be closed.
- Crosstown/SPID Interchange to McArdle Road– Northbound Ayers Street will be CLOSED at the Crosstown/SPID Interchange intersection. Motorists must use alternate detour routes such as the SH 286 northbound frontage road, Gollihar Road, Kostoryz Road, or McArdle Road to access local businesses between the frontage road and McArdle Road.
- McArdle Road to Gollihar Road (Northbound)– Ayers Street will be closed to northbound thru traffic at the intersection at McArdle Road. Thru traffic is required to follow the McArdle Road detour and avoid local and residential side streets.
- McArdle Road to Gollihar Road (Southbound)- Ayers Street will be reduced to one lane, one-way traffic flow in the southbound direction only. Access to all local businesses is provided.
- Ayers Street and Gollihar Road Intersection – The outside thru lane on Ayers Street, in the southbound direction only, will be closed approaching the Gollihar Road intersection.
- SH 358 Frontage Road (Eastbound) – The shared thru left turn lane will be closed.

Email Updates - Tell Your Neighbors To Sign Up!

Good News! You are already receiving the email alerts for construction. We need your help in spreading the word to neighboring businesses on Ayers.

Featured Business

Business Owner Calls Planned Median a Blessing

For the last 16 years, Sign Solutions has been located at 4531 Ayers Street, Suite #217. Owner Charles Yellets is excited about the project because it will be beneficial to his customers, motorists, and pedestrians in the area.

Yellets has seen many accidents on this stretch of roadway but believes the new median being installed will make it safer for drivers.

Sign Solutions specializes in custom signage, from banners to aluminum advertising signs and more.

FACE MASK *Do's & Don'ts*

- DO AVOID TOUCHING EYES, FACE, OR OUTSIDE FABRIC OF FACE MASK**
- DO TOUCH ELASTIC OR STRING TIES TO SAFELY PUT ON AND REMOVE**

- DON'T WEAR BELOW YOUR NOSE OR LEAVE YOUR CHIN UNCOVERED**
- DON'T REST YOUR MASK UNDER YOUR CHIN**

WWW.CCTEXAS.COM/CORONAVIRUS

Cloth face masks and coverings can help slow the spread of COVID-19 when combined with every day preventive actions and social distancing. Remember to avoid touching the outside fabric of your face mask as it may contain germs from others.
