Construction Updates

Concrete Road Removal Continues Next Week

This week, the contractor began removing old concrete road that is currently located underneath a layer of asphalt. Crews also continued with the install of fire hydrants, waterlines, and the installation of reinforced concrete boxes from Neme Drive to McArdle Road.

The Ayers Street Pedestrian project contractor is expected to continue move forward with all of the same installations again next week.

Safety is a top priority, so motorists and pedestrians are reminded to be aware of the work zone, follow all traffic control devices, and use alternate routes to avoid delays.

All work is weather permitting.

Closures & Changes Include:

- Johanna Street to Crosstown/SPID Interchange (northbound) – The outside thru lane on Ayers Street will be closed approaching the Crosstown/SPID interchange. This lane closure will continue through the underpass of SPID. This closure will not impact access to the eastbound frontage road.
- Johanna Street to Crosstown/SPID Interchange (southbound) - The left turn lane and median openings will be closed.
- Crosstown/SPID Interchange to McArdle Road – Northbound Ayers Street will be CLOSED at the Crosstown/SPID Interchange intersection. Motorists must use alternate detour routes such as the SH 286 northbound frontage road, Gollihar Road, Kostoryz Road, or McArdle Road to access local businesses between the frontage road and McArdle Road.
- McArdle Road to Gollihar Road (northbound) – Ayers Street will be closed to northbound thru traffic at the intersection at McArdle Road. Thru traffic is required to follow the McArdle Road detour and avoid local and residential side streets.
- McArdle Road to Gollihar Road (southbound) - Ayers Street will be reduced to one lane, one-way traffic flow in the southbound direction only. Access to all local businesses is provided.
- Ayers Street and Gollihar Road Intersection – The outside thru lane on Ayers Street, in the southbound direction only, will be closed approaching the Gollihar Road intersection.
- SH 358 Frontage Road (eastbound) – The shared thru left turn lane will be closed.

Business Feature

Walgreens Pharmacy Offers Curbside Prescription Filling Services

The Walgreens Pharmacy, located at 4501 Ayers Street, has experienced little interruption, due to construction, during this critical time for Corpus Christi. Even with traffic detours and closures customers are still accessing the pharmacy daily for all their essential needs. Residents can come to this location to get their prescriptions filled and to find essential products like hand sanitizer, toilet paper and over the counter medical supplies.

Walgreens Corporate has implemented policies at this location to keep shoppers and employees safe. This includes posting signage, communicating requirements to wear masks, and recommending social distancing

Store Manager, Jayday Alvarez recommends taking advantage of the drive-through pharmacy service (9:00am) for picking up prescription refills. Customers can also utilize the in store early opening hours (7:30am) and curbside-pickup service for other essential needs.
