Construction Updates

Old Concrete Road Being Removed Next Week

This week, crews worked on the installation of the 8" waterline along the west side of Ayers Street from McArdle Road to Mansheim Boulevard. The contractor is near completion of this install. The contractor also continued to clear existing concrete road along the west side of Ayers Street from Nemece Drive to Gollihar Road.

Moving into next week, the construction team will continue with the installation of Fire Hydrants from McArdle Road to Gollihar Road and utility work along the west side of Ayers. Stormwater boxes will also continue being installed from McArdle Road to Sunnybrook Road and existing concrete road and driveways will be hauled away.

Safety is a top priority, so motorists and pedestrians are reminded to be aware of the work zone, follow all traffic control devices, and use alternate routes to avoid delays.

All work is weather permitting.

Closures & Changes Include:

- Johanna Street to Crosstown/SPID Interchange (northbound) – The outside thru lane on Ayers Street will be closed approaching the Crosstown/SPID interchange. This lane closure will continue through the underpass of SPID. This closure will not impact access to the eastbound frontage road.
- Johanna Street to Crosstown/SPID Interchange (southbound) - The left turn lane and median openings will be closed.
- Crosstown/SPID Interchange to McArdle Road – Northbound Ayers Street will be CLOSED at the Crosstown/SPID Interchange intersection. Motorists must use alternate detour routes such as the SH 286 northbound frontage road, Gollihar Road, Kostoryz Road, or McArdle Road to access local businesses between the frontage road and McArdle Road.
- McArdle Road to Gollihar Road (northbound) – Ayers Street will be closed to northbound thru traffic at the intersection at McArdle Road. Thru traffic is required to follow the McArdle Road detour and avoid local and residential side streets.
- McArdle Road to Gollihar Road (southbound) - Ayers Street will be reduced to one lane, one-way traffic flow in the southbound direction only. Access to all local businesses is provided.
- Ayers Street and Gollihar Road Intersection – The outside thru lane on Ayers Street, in the southbound direction only, will be closed approaching the Gollihar Road intersection.
- SH 358 Frontage Road (eastbound) – The shared thru left turn lane will be closed.

Business Feature

Motorcycle Service Shop Reminds Drivers on Ayers Street to Drive Safe

Rey's Pit Stop, has been located at 4531 Ayers Street, Suite 102 for seven years and specializes in servicing and repairing motorcycles. Rey Longoria, Owner and Operator, offers complete servicing for motorcycle repairs, tire changes, and modified part installations. Rey's Pit Shop can also undertake parts fabrication for custom motorcycles.

Work and activities at Rey's Pit Stop have been unaffected by the ongoing street construction. Even so, Mr. Longoria remains concerned that the current road conditions may make driving hazardous for motorcycle drivers. He would like to remind all motorists to take special care when traversing the Ayers Street construction area and remain alert for motorcyclists on the road.

Contact Rey's Pit Stop at 361-688-7138 for all your motorcycle maintenance and repair needs.

COVID-19 Small Business Recovery Program

888-215-2373

- ✓ Loans of up to \$25,000
