

## Welcome to the Corpus Christi Cone Zone Ayers Edition

The latest information on the Ayers Pedestrian project direct to your inbox!

### Construction Updates

#### Contractor Works to Install New Stormwater Pipes this Week

This week, crews completed installing the 6'x3' storm sewer boxes along the construction path and began laying new storm pipes and curb inlets. They also worked on the breaking, removing, and hauling of the existing concrete driveways. The subcontractor on the project also continued with the install of the waterline connections.

Next week, the general contractor will continue laying storm pipes and curb inlets while also moving forward with the removal of existing roadwork subgrade. The subcontractor will continue work on waterline connections as well.

Safety is a top priority, so motorists and pedestrians are reminded to be aware of the work zone, follow all traffic control devices, and use alternate routes to avoid delays.

All work is weather permitting.

#### Closures & Changes Include:

- Johanna Street to Crosstown/SPID Interchange (northbound) – The outside thru lane on Ayers Street will be closed approaching the Crosstown/SPID interchange. This lane closure will continue through the underpass of SPID. This closure will not impact access to the eastbound frontage road.
- Johanna Street to Crosstown/SPID Interchange (southbound) - The left turn lane and median openings will be closed.
- Crosstown/SPID Interchange to McArdle Road – Northbound Ayers Street will be CLOSED at the Crosstown/SPID Interchange intersection. Motorists must use alternate detour routes such as the SH 286 northbound frontage road, Gollihar Road, Kostoryz Road, or McArdle Road to access local businesses between the frontage road and McArdle Road.
- McArdle Road to Gollihar Road (northbound) – Ayers Street will be closed to northbound thru traffic at the intersection at McArdle Road. Thru traffic is required to follow the McArdle Road detour and avoid local and residential side streets.
- McArdle Road to Gollihar Road (southbound) - Ayers Street will be reduced to one lane, one-way traffic flow in the southbound direction only. Access to all local businesses is provided.
- Ayers Street and Gollihar Road Intersection – The outside thru lane on Ayers Street, in the southbound direction only, will be closed approaching the Gollihar Road intersection.
- SH 358 Frontage Road (eastbound) – The shared thru left turn lane will be closed.

#### Email Updates - Tell Your Neighbors To Sign Up!

Good News! You are already receiving the email alerts for construction. We need your help in spreading the word to neighboring businesses on Ayers.

### Business Feature

#### Thrift Store Remains Open for Business and Adjusts Easily to Street Construction

Family Thrift Center Store Manager Estella Martinez looks forward to a rebuilt street in front of her store and all the improvements that will come with it. Martinez says that the Family Thrift Center staff has easily adjusted to traffic changes on Ayers Street since construction began. The Family Thrift Center, located at 4801 Ayers Street, is easily and safely accessible to thrifty shoppers from the Ayers Street roadway.

COVID-19 mask safety guidance has ensured that the Family Thrift Center has remained open to their customers according to the store's usual hours. The Family Thrift Center is open Monday to Saturday from 9am to 9pm and on Sundays from 12pm to 7pm.
