Construction Updates

Old Concrete Road Removal Continues

This week, crews worked to install the 6'x3' storm sewer boxes from McArdle Road to Sunnybrook Road. They also worked on the breaking, removing, and hauling of the existing concrete road and driveways from Nemece Street to Gollihar Road.

Next week, the general contractor will continue the placement of the 6'x3' storm sewer boxes from Sunnybrook Road to Gollihar Road. They will also continue the work of removing existing concrete road and driveways along the construction path.

Safety is a top priority, so motorists and pedestrians are reminded to be aware of the work zone, follow all traffic control devices, and use alternate routes to avoid delays.

All work is weather permitting.

Closures & Changes Include:

- Johanna Street to Crosstown/SPID Interchange (northbound) – The outside thru lane on Ayers Street will be closed approaching the Crosstown/SPID interchange. This lane closure will continue through the underpass of SPID. This closure will not impact access to the eastbound frontage road.
- Johanna Street to Crosstown/SPID Interchange (southbound) - The left turn lane and median openings will be closed.
- Crosstown/SPID Interchange to McArdle Road – Northbound Ayers Street will be CLOSED at the Crosstown/SPID Interchange intersection. Motorists must use alternate detour routes such as the SH 286 northbound frontage road, Gollihar Road, Kostoryz Road, or McArdle Road to access local businesses between the frontage road and McArdle Road.
- McArdle Road to Gollihar Road (northbound) – Ayers Street will be closed to northbound thru traffic at the intersection at McArdle Road. Thru traffic is required to follow the McArdle Road detour and avoid local and residential side streets.
- McArdle Road to Gollihar Road (southbound) - Ayers Street will be reduced to one lane, one-way traffic flow in the southbound direction only. Access to all local businesses is provided.
- Ayers Street and Gollihar Road Intersection – The outside thru lane on Ayers Street, in the southbound direction only, will be closed approaching the Gollihar Road intersection.
- SH 358 Frontage Road (eastbound) – The shared thru left turn lane will be closed.

Regional Finance Looks Forward to New Sidewalks and a Finished Road

The Regional Finance branch, located inside the Ayers Plaza on 4918 Ayers Street, has spent the last several months encouraging their clients to navigate the construction area carefully. Traffic flow around the Plaza is manageable but, can be confusing for newcomers to the area. Branch Manager, Joyce Ruiz, says that she and her staff look forward to new sidewalks and construction being finished as soon as possible. This is especially important for their clients who utilize bus transportation in the area.

Corpus Christi residents who are interested in getting more information about financial assistance opportunities, title loans, or to learn more about consolidating their debt can reach Regional Finance by calling 361-855-0035. Regional Finance staff are following all COVID-19 guidelines for safety and walk-ins are welcome.
