Contractor Completes Storm Sewer Pipe Installation

Installation of storm sewer pipes on Ayers Street near Gollihar Road continued and was completed this week, despite rains from Tropical Storm Nicholas and the discovery of an old water service line. This unplanned discovery caused a temporary pause to work on storm sewer pipe installation, but work resumed on Thursday, September 16.

Road excavation and placement of limestone road base from Mansheim Boulevard to Viola Avenue also continued this week.

Next week, installation of curb inlets, grate inlets, and manholes on Ayers Street from Sunnybrook Road to Gollihar Road will continue. Additionally, installation of 2 remaining fire hydrants in need of relocation is expected to be complete next week. Road excavation and placement of limestone road base will also continue from Mansheim Boulevard to Viola Avenue.

All work is weather permitting.

Safety is a top priority, so motorists and pedestrians are reminded to be aware of the work zone, follow all traffic control devices, and use alternate routes to avoid delays.

Traffic Changes & Lane Closures:

- Northbound Ayers Street is closed at the Crosstown/SPID Interchange (frontage road) intersection. Thru traffic is encouraged to seek alternate routes to access businesses in the area.
- Ayers Street is also reduced to one lane, one-way traffic from Gollihar Road to SPID (southbound direction only).
- Johanna Street to Crosstown/SPID Interchange (Northbound) – The outside thru lane on Ayers Street is closed approaching the Crosstown/SPID interchange. This lane closure will continue through the underpass of SPID. This closure will not impact access to the eastbound frontage road of SPID.
- Johanna Street to Crosstown/SPID Interchange (Southbound) - The left-turn lane and median openings are closed.
- Crosstown/SPID Interchange & Ayers Street Intersection (Northbound) – Northbound Ayers Street is CLOSED at the Crosstown/SPID Interchange intersection. Motorists must use alternate detour routes such as the SH 286 northbound frontage road, Gollihar Road, Kostoryz Road, or McArdle Road to access local businesses.
- Crosstown/SPID Interchange to Gollihar Road – Ayers Street is reduced to one lane, one-way traffic flow in the southbound direction only. Access to all local businesses is provided.
- Ayers Street and Gollihar Road Intersection – The outside thru lane on Ayers Street, in the southbound direction only, is closed approaching the Gollihar Road intersection.
- SH 358 Frontage Road (Eastbound) – The shared thru left-turn lane is closed.

RTA bus stops are closed from Gollihar Road to SPID. Bus stops remain open at the Port Ayers Transfer Station.
