Construction Updates

Waterline Connections Complete & Excavation Continues

This week, crews continued to lay new storm pipes and curb inlets. The sub-contractor was also able to complete the required waterline connections along the construction path. Next week, the general contractor will continue laying storm pipes, hydro excavating, and grate inlets while moving forward with the removal of existing roadwork subgrade once grate inlets are installed.

Safety is a top priority, so motorists and pedestrians are reminded to be aware of the work zone, follow all traffic control devices, and use alternate routes to avoid delays.

All work is weather permitting.

Closures & Changes Include:

- Johanna Street to Crosstown/SPID Interchange (Northbound) – The outside thru lane on Ayers Street will be closed approaching the Crosstown/SPID interchange. This lane closure will continue through the underpass of SPID. This closure will not impact access to the eastbound frontage road.
- Johanna Street to Crosstown/SPID Interchange (Southbound) - The left turn lane and median openings will be closed.
- Crosstown/SPID Interchange to McArdle Road – Northbound Ayers Street will be CLOSED at the Crosstown/SPID Interchange intersection. Motorists must use alternate detour routes such as the SH 286 northbound frontage road, Gollihar Road, Kostoryz Road, or McArdle Road to access local businesses between the frontage road and McArdle Road.
- McArdle Road to Gollihar Road (Northbound) – Ayers Street will be closed to northbound thru traffic at the intersection at McArdle Road. Thru traffic is required to follow the McArdle Road detour and avoid local and residential side streets.
- McArdle Road to Gollihar Road (Southbound) - Ayers Street will be reduced to one lane, one-way traffic flow in the southbound direction only. Access to all local businesses is provided.
- Ayers Street and Gollihar Road Intersection – The outside thru lane on Ayers Street, in the southbound direction only, will be closed approaching the Gollihar Road intersection.
- SH 358 Frontage Road (Eastbound) – The shared thru left turn lane will be closed.

Business Feature

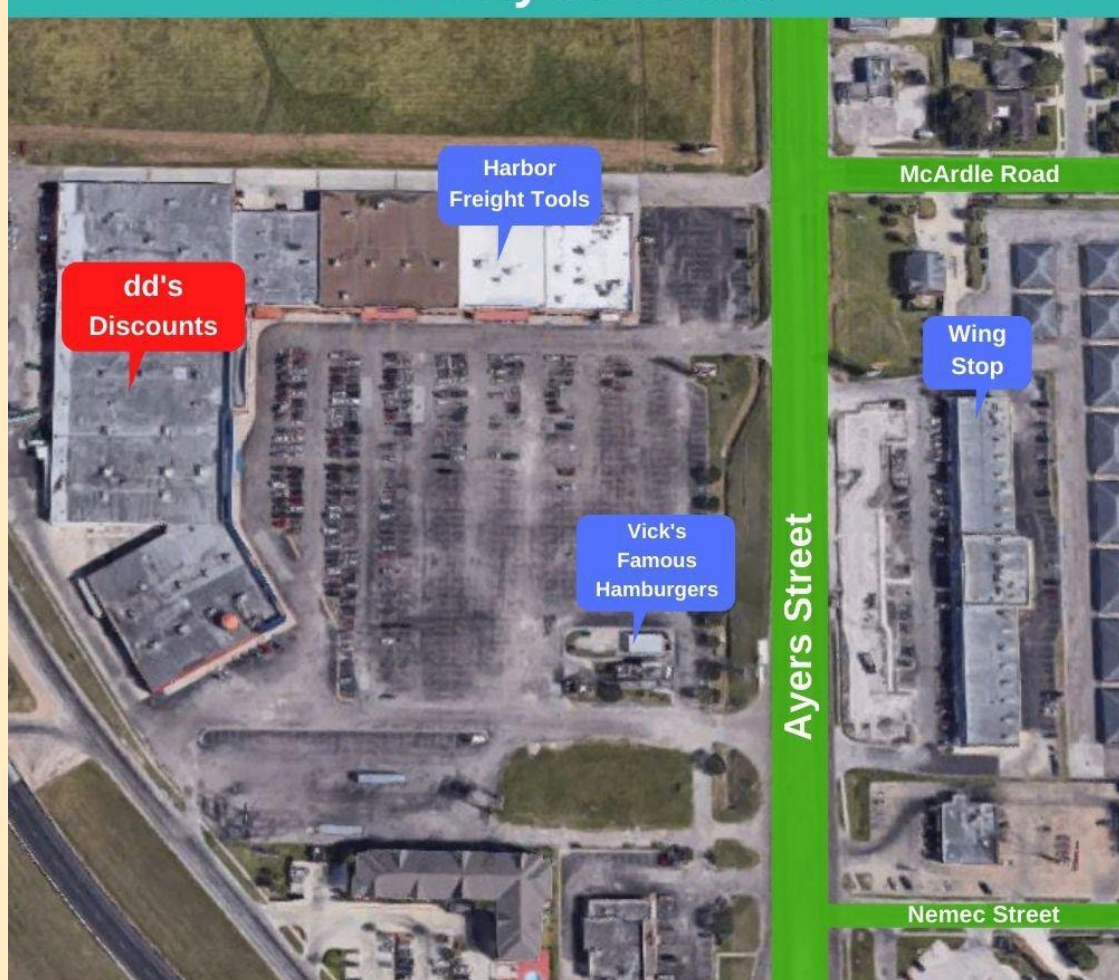

Safer Roadways Mean a Safer Work Commute

Located at 4977 Ayers Street Suite C, dd's Discounts is an essential place to shop for clothes and home goods for those who live and work in the Ayers Street area. The retail space carries home goods, clothing, and shoes for everyone in the family. Traffic and business at dd's Discounts has remained unaffected by construction on Ayers Street. Management and staff at dd's Discounts look forward to a finished street and a safer daily commute to work. For driver and pedestrian safety, Store Manager Sylvia Gomez looks forward to improved lighting for Ayers Street.

When visiting dd's Discounts, COVID-19 safety precautions have made shopping slightly different. The store requires all who enter the store to wear masks for the safety of employees and other shoppers. Current store hours for dd's Discounts are 9am-10pm Sunday through Saturday, and frequent shoppers can learn about store updates and trends on the company [Facebook](#) and [Instagram](#) pages.
