Phase 2 Concrete Curb & Gutter Installation Begins!

This week, installation of new concrete curb and gutter began on the east side of Ayers Street between Nemes Street and Mansheim Boulevard. Additionally, road excavation and limestone road base placement continued from Mansheim Boulevard to Viola Avenue.

Next week, new curb and gutter installation will continue along Ayers Street from Mansheim Boulevard to Sunnybrook Road, weather permitting. The contractor also plans to continue road excavation and limestone road base placement next week between Mansheim Boulevard to Viola Avenue.

All work is weather permitting.

Safety is a top priority, so motorists and pedestrians are reminded to be aware of the work zone, follow all traffic control devices, and use alternate routes to avoid delays.

Local Taqueria Looks Forward to Project Completion

Taqueria La Pasadita, located at 4726 Ayers Street, opened its doors for hungry customers over 3 years ago. Maria Gonzalez is the manager of the Taqueria, and after the challenges of construction and COVID-19, she very much looks forward to the completion of the project and improvements to the roadway and sidewalk in front of Taqueria La Pasadita.

The Taqueria name translates to "the little tradition" in English, indicating that Taqueria La Pasadita offers a menu full of traditional taco recipes and dishes. This neighborhood favorite is open for business Monday – Saturday from 6am – 2pm to serve breakfast and lunch to locals. To learn more about menu options and to place an order for pick-up call Taqueria La Pasadita at 361-692-2030. Si hablan Español!
