| • Bikes | • Sand |

Super Bags measure L 96" x W 48" x H 30" and may be loaded up to 2,200 lbs. Prior to filling the bag, select a place within 15 feet from the curb to ensure it is accessible for collection. The sidewalk and street must be kept free from obstructions.

The Super Bag Collection Service is for customers who want a convenient, scheduled pickup of leftover construction material from small home renovations, garage cleanups, landscaping and other household projects.

Purchasing Your Super Bag

Super Bags can be purchased at the J. C. Elliott Collection Center located off Highway 286 and Ayers Street. The cost of a Super Bag is \$135 including tax. Super Bags can be purchased with cash, debit card or personal check. There is no limit to the number of Super Bags customers can purchase at one time. Pickup times for your Super Bag need to be scheduled by calling the City of Corpus Christi Call Center at (361) 826-CITY (2489).

Super Bag Filling Instructions

- Begin by laying the bag flat in a place accessible for collection.
- Step inside the bag and roll the sides down and out from the top to help the bag take shape. The straps must remain outside of the bag during and after filling.
- Asphalt, brick, concrete, roof shingles, dirt, sand, rock, sod or drywall must be loaded first to a height not to exceed 10-inches from the bottom and as evenly as possible.
- Top the Super Bag with lighter items but ensure the contents do not extend past the top of the bag. The Super Bag weight limit is 2,200 pounds.
- Roll the sides up as necessary to fill the Super Bag.

Scheduling Collections

Once the Super Bag is filled and ready to be hauled away, simply call (361) 826-CITY (2489) to schedule the collection. A truck will collect the bag within three business days.
